

NO FURTHER EXTENSION OF ORDER NO. 75 TO BE GRANTED

The promptness and cooperative efforts of the amateur and commercial radio operators in filing satisfactory proof of their citizenship and identification as required by Order No. 75 has been very gratifying to the Commission. In order to avoid any unnecessary hardship to the operators, the filing date for the responses to that Order has twice been extended by one month periods from the original date of August 15. Under the provisions of the Order as amended the responses are due on or before October 15, 1940. It is apparent that there has been an honest attempt on the part of the large majority of the operators to meet that filing date.

There will be no further extension granted. However, the Commission realizes that certain individuals and groups of operators will be unable to secure the necessary documentary proof of citizenship within the time provided by the Order due to factors beyond their control. Accordingly, the Commission is disposed to accept without further action such responses as may be tardily filed provided they are accompanied by satisfactory explanation of the reasons which prevented prompt compliance with the Order. At the same time it is desired to emphasize that arbitrary failure to submit the response in accordance with the Order, or to offer a reasonable explanation of the factors necessitating late filing, may be considered just cause for further action on the part of the Commission.
