EFFECTIVE DATE OF CHANGES TO THE RADIO DUOPOLY RULE

This Public Notice is to advise that the amendments to the radio duopoly rule contained in Section 73.3555(a) of the Commission's Rules and Regulations, adopted on October 27, 1988, became effective immediately upon adoption. The Commission found good cause to make these amendments effective immediately because the revised rules remove restrictions that were unnecessary and contrary to the public interest. See 5 U.S.C. Section 553(d). All currently pending waiver requests involving radio station combinations that would be permissible under the rule as amended are thus rendered moot and the underlying applications in those cases may be granted if it is otherwise appropriate to do so.
