AUDIO SERVICES DIVISION

Dear Mr. Doak:

I hereby request dismissal of the application for LPFM that was submitted by Tranquility Communications, Inc. The file number is BNPL-20010116ABR.

No consideration (payment) has been given to Tranquility Communications, Inc in exchange for this request for dismissal. I simply do not want to wait any longer for a decision from the FCC.

I thought I had submitted form 601 to withdraw the application however a letter stated the filing did not include a valid file number. I am sure I used file number BNPL2001016ABR.

Respectfully,

Ivan E. Nyberg, President
