14 including all persons under common control, subject to the
15 provisions of this Act. The Commission shall have authority,
16 subject to the provisions of the civil-service laws and the
17 Classification Act of 1949, as amended, to appoint such other

3 stations and related facilities, including living quarters where
4 necessary in remote areas, for the construction of such sta-

13 (d) Subsection (k) of section 4 of such Act is amended
14 to read as follows:

15 “(k) The Commission shall make an annual report to
16 Congress, copies of which shall be distributed as are other

24 “(2) such information and data concerning the

9 to read as follows:

10 “ORGANIZATION OF THE COMMISSION

11 “SEC. 5. (a) The member of the Commission designated

13 officer of the Commission. It shall be his duty to preside
14 at all meetings and sessions of the Commission, to represent
15 the Commission in all matters relating to legislation and
16 legislative reports except that any Commissioner may pre-
17 sent his own or minority views or supplemental reports,
18 to represent the Commission in all matters requiring con-
19 ferences or communications with other governmental officers,
20 departments or agencies, and generally to coordinate and
21 organize the work of the Commission in such manner as
22 to promote prompt and efficient disposition of all matters
23 within the jurisdiction of the Commission. In the case
24 of a vacancy in the office of the Chairman of the Com-
25 mission, or the absence or inability of the Chairman to

1 serve, the Commission may temporarily designate and
2 appoint one of its members to act as Chairman until the
3 cause or circumstance requiring such service shall have been
4 eliminated or corrected.

5 “(b) Within sixty days after the enactment of the
6 Communications Act Amendments, 1951, and from time
7 to time thereafter as the Commission may find necessary,
8 the Commission shall organize its legal, engineering, and
9 accounting staff into (1) integrated divisions, to func-
10 tion on the basis of the Commission’s principal workload
11 operations; and (2) into such other divisional organizations
12 as the Commission may deem necessary to handle that part
13 of its workload which cuts across more than one integrated
14 division or which does not lend itself to the integrated
15 division set-up. Each such integrated division and divisional
16 organization shall include such legal, engineering, accounting,
17 administrative, and clerical personnel as the Commission may
18 determine to be necessary to perform its functions. The
19 general counsel, the chief engineer, and the chief accountant
20 and their respective assistants shall carry out their respective
21 duties under such rules and regulations as the Commission
22 may prescribe. The Commission shall establish a staff,
23 directly responsible to it, which shall include such legal,
24 engineering, and accounting personnel as the Commission
25 deems necessary, whose duty shall be to prepare such drafts

1 of Commission decisions, orders, and other memoranda as
2 the Commission, in the exercise of its quasi-judicial duties,
3 may from time to time direct: *Provided*, That no member
4 of such staff shall participate in a hearing or represent the
5 Commission, directly or indirectly, in any prosecutory or
6 investigatory function or proceeding.

7 “(c) Except as provided in section 409 hereof, the Com-
8 mission, when necessary to the proper functioning of the
9 Commission and the prompt and orderly conduct of its busi-
10 ness, is hereby authorized and directed to assign or refer any
11 portion of its work, business, or functions to an individual
12 Commissioner or Commissioners or to a board composed of
13 one or more employees of the Commission, to be designated
14 by such order for action thereon, and by its further order at
15 any time to amend, modify, or rescind any such order or
16 reference: *Provided*, That this authority shall not extend to
17 duties otherwise specifically imposed by this or any other
18 Act of Congress. Any order, decision, or report made or
19 other action taken pursuant to any such order or reference
20 shall have the same force and effect and may be made,
21 evidenced, and enforced as is made by the Commission:
22 *Provided, however*, That any person aggrieved by any such
23 order, decision, or report may file a petition for review by the
24 Commission, and every such petition shall be passed upon

1 by the Commission. The secretary and seal of the Com-
2 mission shall be the secretary and seal of such individual
3 Commissioner or board.

4 “(d) Meetings of the Commission shall be held at regu-
5 lar intervals, not less frequently than once each calendar
6 month, at which times the functioning of the Commission
7 and the handling of its work load shall be reviewed and such
8 orders shall be entered and other action taken as may be
9 necessary or appropriate to expedite the prompt and orderly
10 conduct of the business of the Commission with the objective
11 of rendering a final decision (1) within three months from
12 the date of filing in all original application, renewal, and
13 transfer cases and (2) within six months from the final date
14 of the hearing in all hearing cases; and the Commission
15 shall promptly report to the Congress each such case which
16 has been pending before it more than such three- or six-
17 month period, respectively, stating the reasons therefor.”

18 SEC. 6. Subsection (d) of section 307 of such Act is
19 amended to read as follows:

20 “(d) No license granted for the operation of a broad-
21 casting station shall be for a longer term than three years
22 and no license so granted for any other class of station shall
23 be for a longer term than five years, and any license granted
24 may be revoked as hereinafter provided. Upon the expira-
25 tion of any license, upon application therefor, a renewal of

1 such license may be granted from time to time for a term
2 of not to exceed three years in the case of broadcasting
3 licenses and not to exceed five years in the case of other
4 licenses if the Commission finds that public interest, con-
5 venience and necessity would be served thereby.”

6 SEC. 7. So much of subsection (a) of section 308 of
7 such Act as precedes the second proviso is amended to read
8 as follows: “The Commission may grant instruments of
9 authorization entitling the holders thereof to construct or
10 operate apparatus for the transmission of energy, or com-
11 munications, or signals by radio or modifications or renewals
12 thereof, only upon written application therefor received by
13 it: *Provided*, That (1) in cases of emergency found by
14 the Commission involving danger to life or property or
15 due to damage to equipment, or (2) during a national
16 emergency proclaimed by the President or declared by
17 the Congress and during the continuance of any war in which
18 the United States is engaged and when such action is neces-
19 sary for the national defense or security or otherwise in
20 furtherance of the war effort, the Commission may grant
21 and issue authority to construct or operate apparatus for
22 the transmission of energy or communications or signals
23 by radio during the emergency so found by the Commis-
24 sion or during the continuance of any such national emergency
25 or war, in such manner and upon such terms and condi-

1 tions as the Commission shall by regulation prescribe, and
2 without the filing of a formal application, but no such author-
3 ity shall be granted for a period beyond the period of
4 the emergency requiring it nor remain effective beyond
5 such period:".

6 SEC. 8. Section 309 of such Act, as amended, is amended
7 to read as follows:

8 "HEARINGS ON APPLICATIONS FOR LICENSES; FORM OF
9 LICENSES; CONDITIONS ATTACHED TO LICENSES

10 "SEC. 309. (a) If upon examination of any application
11 provided for in section 308 the Commission shall determine
12 that public interest, convenience, and necessity would be
13 served by the granting thereof, it shall authorize the issuance
14 of the instrument of authorization for which application is
15 made in accordance with said finding.

16 "(b) If upon examination of any such application the
17 Commission is unable to make the finding specified in sub-
18 section (a) of this section, it shall forthwith notify the ap-
19 plicant and other known parties in interest of the grounds
20 and reasons for its inability to make such finding. Such
21 notice, which shall precede formal designation for a hearing,
22 shall advise the applicant and all other known parties in
23 interest of all objections made to the application as well as
24 the source and nature of such objections. Following such
25 notice, the applicant shall be given an opportunity to reply.

1 If the Commission, after considering such reply, shall be
2 unable to make the finding specified in subsection (a) of
3 this section, it shall formally designate the application
4 for hearing on the grounds or reasons then obtaining and
5 shall notify the applicant and all other known parties in
6 interest of such action and the grounds and reasons therefor,
7 specifying with particularity the matters and things in issue
8 but not including issues or requirements phrased generally.
9 The parties in interest, if any, who are not notified by the
10 Commission of its action with respect to a particular applica-
11 tion may acquire the status of a party to the proceeding
12 thereon by filing a petition for intervention showing the basis
13 for their interest at any time not less than ten days prior to
14 the date of hearing. Any hearing subsequently held upon
15 such application shall be a full hearing in which the appli-
16 cant and all other parties in interest shall be permitted to
17 participate but in which both the burden of proceeding with
18 the introduction of evidence upon any issue specified by the
19 Commission, as well as the burden of proof upon all such
20 issues, shall be upon the applicant.

21 “(c) When any instrument of authorization is granted
22 by the Commission without a hearing as provided in subsec-
23 tion (a) hereof, such grant shall remain subject to protest as
24 hereinafter provided for a period of thirty days. During
25 such thirty-day period any party in interest may file a pro-

1 test under oath directed to such grant and request a hearing
2 on said application so granted. Any protest so filed shall
3 contain such allegations of fact as will show the protestant
4 to be a party in interest and shall specify with particularity
5 the facts, matters, and things relied upon, but shall not in-
6 clude issues or allegations phrased generally. The Commis-
7 sion shall, within fifteen days from the date of the filing of
8 such protest, enter findings as to whether such protest meets
9 the foregoing requirements and if it so finds the application
10 involved shall be set for hearing upon the issues set forth
11 in said protest, together with such further specific issues, if
12 any, as may be prescribed by the Commission. In any hear-
13 ing subsequently held upon such application all issues speci-
14 fied by the Commission shall be tried in the same manner
15 provided in subsection (b) hereof but with respect of all
16 issues set forth in the protest and not specifically adopted by
17 the Commission, both the burden of proceeding with the
18 introduction of evidence and the burden of proof shall be
19 upon the protestant. The hearing and determination of
20 cases arising under this subsection shall be expedited by the
21 Commission and pending hearing and decision the effective
22 date of the Commission's action to which protest is made
23 shall be postponed to the effective date of the Commission's
24 decision after hearing, unless the authorization involved is
25 necessary to the maintenance or conduct of an existing

1 service, in which event the Commission shall authorize the
2 applicant to utilize the facilities or authorization in question
3 pending the Commission's decision after hearing.

4 “(d) Such station licenses as the Commission may
5 grant shall be in such general form as it may prescribe, but
6 each license shall contain, in addition to other provisions, a
7 statement of the following conditions to which such license
8 shall be subject: (1) The station license shall not vest in
9 the licensee any right to operate the station nor any right in
10 the use of the frequencies designated in the license beyond
11 the term thereof nor in any other manner than authorized
12 therein; (2) neither the license nor the right granted there-
13 under shall be assigned or otherwise transferred in violation
14 of this Act; (3) every license issued under this Act shall be
15 subject in terms to the right of use or control conferred
16 by section 606 hereof.”

17 SEC. 9. Subsection (b) of section 310 of said Act is
18 amended to read as follows:

19 “(b) No instrument of authorization granted by the
20 Commission entitling the holder thereof to construct or to
21 operate radio apparatus and no rights granted thereunder
22 shall be transferred, assigned, or disposed of in any manner,
23 voluntarily or involuntarily, directly or indirectly, or by
24 transfer of control of any corporation holding such instru-
25 ment of authorization, to any person except upon application

1 to the Commission and upon finding by the Commission that
2 the proposed transferee or assignee possesses the qualifica-
3 tions required of an original permittee or licensee. The
4 procedure for handling such application shall be that pro-
5 vided in section 309.”

6 SEC. 10. Section 311 of such Act, as amended, is
7 amended to read as follows:

8 “SEC. 311. The Commission is hereby directed to refuse
9 a station license and/or the permit hereinafter required for
10 the construction of a station to any person (or to any per-
11 son directly or indirectly controlled by such person) whose
12 license has been revoked by a court under section 313.”

13 SEC. 11. Section 312 of such Act, as amended, is
14 amended to read as follows:

15 “REVOCATION OF LICENSES; CEASE-AND-DESIST ORDERS

16 “SEC. 312. (a) Any station license may be revoked
17 (1) because of conditions coming to the attention of the
18 Commission since the granting of such license which would
19 have warranted the Commission in refusing to grant such
20 license, or (2) for violation or failure to observe any of
21 the restrictions or provisions of a treaty ratified by the
22 United States, or (3) for violation of or failure to observe
23 the terms and conditions of any cease-and-desist order issued
24 by the Commission pursuant to subsection (b) hereof. The
25 Commission may institute a revocation proceeding by serv-

1 ing upon the licensee an order to show cause why its license
2 should not be revoked. Said orders shall contain a statement
3 of the particulars and matters with respect to which the
4 Commission is inquiring and shall call upon the licensee to
5 appear before the Commission at a time and place therein
6 stated, but in no event less than thirty days after receipt
7 of such notice, and give evidence upon the matter specified
8 in said order: *Provided*, That where safety of life or prop-
9 erty is involved, the Commission may by order provide for
10 a shorter period of notice. If, after hearing, or a waiver
11 thereof by the licensee, the Commission determines that a
12 revocation order should issue, it shall make a report in
13 writing stating the findings of the Commission and the
14 grounds and reasons therefor and shall cause the same to
15 be served on said licensee, together with such order.

16 “(b) Where any person (1) has failed to operate sub-
17 stantially as set forth in an instrument of authorization, or
18 (2) has failed to observe any of the restrictions and con-
19 ditions of this Act or of a treaty ratified by the United
20 States, or (3) has violated or failed to observe any rule
21 or regulation of the Commission authorized by this Act,
22 the Commission may institute a proceeding by serving upon
23 such person an order to show cause why it should not cease
24 and desist from such action. Said order shall contain a

1 statement of the particulars and matters with respect to
2 which the Commission is inquiring and shall call upon
3 such person to appear before the Commission at a time
4 and place therein stated, but in no event less than thirty days
5 after receipt of such notice, and give evidence upon the
6 matter specified in said order. If, after hearing, or a waiver
7 thereof by such person, the Commission determines that a
8 cease-and-desist order should issue, it shall make a report in
9 writing stating the findings of the Commission and the
10 grounds and reasons therefor and shall cause the same to be
11 served on said person, together with such order.

12 SEC. 12. Part I of title III of such Act is amended by
13 adding the following new section:

14 "MODIFICATION BY COMMISSION OF CONSTRUCTION

15 PERMITS OR LICENSES

16 "SEC. 330. (a) Any station license granted under the
17 provisions of this Act or the construction permit required
18 thereby may be modified by the Commission either for a
19 limited time or for the duration of the term thereof, if in
20 the judgment of the Commission such action will promote
21 the public interest, convenience, and necessity, or the pro-
22 visions of this Act or of any treaty ratified by the United
23 States will be more fully complied with: *Provided*, That no
24 such order of modification shall become final until the holder
25 of such outstanding license or permit shall have been notified

1 in writing of the proposed action and the grounds and
2 reasons therefor, and shall have been given reasonable
3 opportunity, in no event less than thirty days, to show cause
4 by public hearing, if requested, why such order of modifica-
5 tion should not issue: *Provided*, That where safety of life
6 or property is involved, the Commission may by order pro-
7 vide for a shorter period of notice.

8 “(b) In any case where a hearing is conducted pur-
9 suant to the provisions of this section or section 312, both
10 the burden of proceeding with the introduction of evidence
11 and the burden of proof shall be upon the Commission.”

12 SEC. 13. Part I of title III of such Act is amended by
13 adding the following new section:

14 “LIMITATIONS ON QUASI-JUDICIAL POWERS

15 “SEC. 331. No license granted and issued under the
16 authority of this Act for the operation of any radio station
17 shall be modified by the Commission, except in the manner
18 provided in section 330 (a) hereof, and no such license
19 may be revoked, terminated, or otherwise invalidated by the
20 Commission, except in the manner and for the reasons pro-
21 vided in section 312 (a) hereof. When application is
22 made for renewal of an existing license, which cannot
23 be disposed of by the Commission under the provisions of
24 section 309 (a) hereof, the Commission shall employ the
25 procedure specified in section 309 (b) hereof, except that in

1 any hearing subsequently held upon such application the
2 burden of proceeding with the evidence and of substantiat-
3 ing the grounds and reasons specified by the Commission
4 in the formal notice of hearing issued pursuant to section
5 309 (b) hereof shall be upon the appropriate division
6 established by the Commission under the provisions of
7 section 5 (b) hereof or upon any party or parties who
8 may oppose such renewal; but as a condition precedent
9 to the renewal the Commission shall affirmatively find
10 that the public interest, convenience and necessity will be
11 served by such renewal. Pending such hearing and final
12 decision pursuant thereto the Commission shall continue
13 such license in effect."

14 SEC. 14. The heading of section 401 of such Act is
15 amended to read:

16 "JURISDICTION TO ENFORCE ACT AND ORDERS OF
17 COMMISSION; DECLARATORY ORDERS"

18 and such section is amended by adding at the end thereof
19 a new subsection (e) as follows:

20 "(e) The Commission is authorized, in its sound dis-
21 cretion and with like effect as in the case of other orders,
22 to issue a declaratory order to terminate a controversy
23 or remove uncertainty. Notwithstanding the provisions
24 of section 5 (d) of the Act of June 11, 1946 (60 Stat.
25 239) declaratory orders shall be issued only upon the

1 petition of, and after notice to and opportunity for hear-
2 ing by, persons who are bona fide applicants for, or the
3 holders of, construction permits or licenses, or otherwise
4 subject to the jurisdiction of the Commission, and shall
5 not bind or affect the rights of persons who are not parties
6 to such proceedings. Such orders shall be available to
7 declare rights and other legal relations arising under the
8 provisions of any treaty ratified by the United States,
9 under any provision of this Act, or under any order, rule,
10 regulation, term, condition, limitation, or requirement issued,
11 promulgated, or adopted by the Commission, whether or
12 not involving failure to comply therewith.”

13 SEC. 15. Section 402 of such Act is amended to read
14 as follows:

15 “SEC. 402. (a) The provisions of the Act of June
16 25, 1948 (62 Stat. 992), as amended, relating to the
17 enforcing or setting aside of orders of the Interstate Com-
18 merce Commission are hereby made applicable to suits
19 to enforce, enjoin, set aside, annul, or suspend any order
20 of the Commission under this Act (except those appeal-
21 able under the provisions of subsection (b) hereof), and
22 such suits are hereby authorized to be brought as pro-
23 vided in that Act. In addition to the venues specified
24 in that Act, suits to enjoin, set aside, annul, or suspend,
25 but not to enforce, any such order of the Commission may

1 also be brought in the United States District Court for
2 the District of Columbia.

3 “(b) Appeals may be taken from decisions and orders
4 of the Commission to the United States Court of Appeals
5 for the District of Columbia in any of the following cases:

6 “(1) By any applicant for any instrument of

23 contain a concise statement of the nature of the proceedings
24 as to which the appeal is taken; a concise statement of the
25 reasons on which the appellant intends to rely, separately

9 appeal was heard and determined.

10 “(i) The court may, in its discretion, enter judgment
11 for costs in favor of or against an appellant, or other inter-

14 volved upon said appeal and the outcome thereof.

15 “(j) The court’s judgment shall be final, subject, how-
16 ever, to review by the Supreme Court of the United States
17 as hereinafter provided—

18 “(1) an appeal may be taken direct to the Supreme
19 Court of the United States in any case wherein the juris-
20 diction of the court is invoked, or sought to be invoked.
21 for the purpose of reviewing any decision or order
22 entered by the Commission in proceedings instituted by
23 the Commission which have as their object and purpose
24 the revocation of an existing license or any decision or
25 order entered by the Commission in proceedings which

1 involve the failure or refusal of the Commission to renew

15 the appeal, or by certification by the court pursuant to
16 the provision of section 239 of the Judicial Code, as
17 amended.”

18 SEC. 16. The heading of section 405 of such Act is
19 amended to read:

20 “REHEARINGS BEFORE COMMISSION”

21 and such section is amended to read as follows:

22 “SEC. 405. (a) After a decision, order, or requirement
23 has been made by the Commission in any proceeding, any
24 party thereto, or any other person aggrieved or whose inter-
25 ests are adversely affected thereby, may petition for rehear-

1 ing. Petitions for rehearing must be filed within thirty days
2 from the entry of any decision, order, or requirement com-

4 order, or requirement challenged is necessary for the mainte-

6 petition shall automatically stay the effective date thereof until
7 after decision on said petition. The filing of a petition for re-
8 hearing shall not be a condition precedent to judicial review
9 of any such decision, order, or requirement, except where
10 the party seeking such review was not a party to the proceed-
11 ings resulting in such decision, order, or requirement, or
12 where the party seeking such review relies on questions of fact
13 or law upon which the Commission has been afforded no
14 opportunity to pass. Rehearings shall be governed by such
15 general rules as the Commission may establish: *Provided,*
16 That; except for newly discovered evidence or evidence other-
17 wise available only since the original taking of evidence, no
18 evidence shall be taken on any rehearing. The time within
19 which an appeal must be taken under section 402 (b) hereof
20 shall be computed from the date upon which orders are
21 entered disposing of all petitions for rehearing filed in any
22 case, but any decision, order, or requirement made after such
23 rehearing reversing, changing, or modifying the original
24 determination shall be subject to the same provisions with
25 respect to rehearing as an original order.”

1 SEC. 17. Section 409 (a) of such Act is amended to
2 read as follows:

3 “SEC. 409. (a) Notwithstanding the provisions of sec-
4 tion 7 (a) of the Act of June 11, 1946 (60 Stat. 241),
5 all cases in which a hearing is required by the provisions
6 of this Act or by other applicable provisions of law shall
7 be conducted by the Commission or by one or more examiners
8 provided for in section 11 of the Act of June 11, 1946
9 (60 Stat. 244), designated by the Commission. The officer

13 “(b) Notwithstanding the provisions of section 8 of the
14 Act of June 11, 1946 (60 Stat. 242), the officer or officers
15 conducting a hearing shall prepare and file an intermediate
16 report. In all such cases the Commission shall permit the
17 filing of exceptions to such intermediate report by any party
18 to the proceeding and shall, upon request, hear oral argument
19 on such exceptions before the entry of any final decision,
20 order, or requirement. All decisions, including the inter-
21 mediate report, shall become a part of the record and shall
22 include a statement of (1) findings and conclusions, as well

24 or discretion, presented on the record; and (2) the appro-

4 to the extent required for the disposition of ex parte matters
5 as authorized by law, consult any person or party on any
6 fact or question of law in issue, unless upon notice and
7 opportunity for all parties to participate; nor shall such
8 officer be responsible to or subject to the supervision or direc-
9 tion of any other person engaged in the performance of
10 investigative, prosecuting, or other functions for the Com-
11 mission or any other agency of the Government. No person
12 or persons engaged in the performance of investigative or
13 prosecuting functions for the Commission or for any other
14 agency of the Government shall participate or advise in the
15 proceedings described in (a) and (b) hereof, except as a
16 witness or counsel in public proceedings. The Commission
17 shall not employ attorneys or other persons for the purpose
18 of reviewing transcripts or preparing intermediate reports
19 of final decisions, except that this shall not apply to the
20 review staff provided by subsection 5 (b) and to legal
21 assistants assigned separately to a Commission member who
22 may, for such Commission member, review such transcripts
23 and prepare such drafts. No intermediate report shall be
24 reviewed either before or after its publication by any person
25 other than a member of the Commission or his legal assist-

1 ant, as above provided, and no examiner, who conducts a
2 hearing, shall advise or consult with the Commission with
3 respect to his intermediate report or with respect to excep-

10 at the end thereof the following: “Except as specifically
11 provided in this Act the provisions of the Act of June 11,
12 1946 (60 Stat. 237) shall apply in all proceedings under
13 this Act.”

15 amended by inserting a new section as follows:
