The PRESIDING OFFICER. Without objection, the President will be notified forthwith.

Mr. STENNIS subsequently said: Madam President, the Senator from Mississippi just returned to the Chamber for the purpose of voting against all three of these nominations. The Senator from Mississippi left the Chamber approximately an hour ago to conduct hearings in connection with our urgent defense program with the definite understanding there would be a yea-and-nay vote on all three of these nominations, to which he was opposed on the ground that he opposes the Commission and its mission. Since there has been a confirmation of the nominations of Mr. Bernhard and Mr. Griswold by voice vote, without any notice being given that there would not be a yea-and-nay vote, through this statement I wish to record my opposition to those two nominations, for the reason given. I am very much opposed to the Commission, its creation, and its activities. The Commission should be abolished. These nominations should not be confirmed.
