A resolution adopted by the City Council of Portsmouth, N.H.; to the Committee on Armed Services.

THE NEED FOR A JUNIOR AND SENIOR HIGH SCHOOL FOR PEASE AIR FORCE BASE

Mr. McINTYRE. Mr. President, the city of Portsmouth, N.H. is doing an excellent job of educating the young people of that community and assisting in the education of the children of military personnel and Federal employees assigned to Pease Air Force Base as well as to the Portsmouth Naval Shipyard.

However, serious questions have been raised by the Administration about the future of the impacted aid program for education. If this program should be drastically cut it would place the city of Portsmouth in a very difficult situation.

Coupled with this is the fact that the children population at Pease Air Force Base appears to be growing further straining the educational facilities in the locality.

Finally, just last week the Portsmouth School system suffered a severe blow when the Mary Dondero High School burned to the ground. This left the city without adequate facilities for 600 students.

In face of these problems, Portsmouth is seeking assistance. Specifically the city is requesting the construction of a junior and senior high school on Pease Air Force Base to help in relieving the pressures on the school system.

The City Council of Portsmouth has memorialized the New Hampshire delegation in regards to the needs at Pease Air Force Base.

Mr. President, I ask unanimous consent that the resolution from the City Council of Portsmouth be placed in the Record at this point and be referred to the appropriate committee.

The PRESIDING OFFICER. Without objection, it is so ordered.

RESOLUTION No. 14

Resolution concerning schooling of military dependents:
To the New Hampshire Congressional Dele-

gation: the Honorable Norris Cotton, U.S. Senator; the Honorable Thomas J. McIntyre, U.S. Senator; the Honorable Louis C. Wyman, Member of Congress; the Honorable James C. Cleveland, Member of Congress;

Whereas, there is located in the City of Portsmouth, New Hampshire, Pease Air Force Base, a vital link in the Strategic Air Command Defense System; and,

Whereas, there are 5,980 members of the military and their families living on Pease Air Force Base; and,

Whereas, there are 2,003 military dependents attending Portsmouth schools who are associated with Pease Air Force Base; and,

Whereas, there presently exists in the City of Portsmouth a tremendous overcrowding in the Junior High School and the High School; and,

Whereas, the large number of military dependents contribute greatly to this overcrowding;

Now therefore, be it resolved by the City Council of the City of Portsmouth that you do everything in your power to have a new junior and senior high school built on Pease Air Force Base to take care of the military dependents.

By Mr. McINTYRE:

A concurrent resolution of the General Court of the State of New Hampshire; to the Committee on Finance.

SOCIAL SECURITY INCREASES AND WELFARE AND VETERANS PENSIONS' REDUCTIONS

Mr. McINTYRE. Mr. President, the people of New Hampshire are concerned about reductions in welfare assistance and veterans' pension reductions when social security benefits are increased.

I am cosponsoring legislation that will protect veterans and those on welfare from losing their benefits when social security benefits are raised.

A clear demonstration of the concern in New Hampshire about this problem is contained in a memorial to the Congress of the United States by the Senate and House of Representatives of the General Court of New Hampshire passed on February 27, 1973.

Mr. President, I ask unanimous consent that this resolution of the New Hampshire General Court be printed in the Record at this point and referred to the appropriate committee.

The PRESIDING OFFICER. Without objection, it is so ordered.

Senate Concurrent Resolution Memorializing the Congress of the United States to enact legislation which will grant the Social Security increase without having any welfare assistance or veteran's pension reduced.

Whereas, Social Security payments were increased effective as of October 1, 1972.

Whereas, there are social security recipients of New Hampshire who have been terminated from the donated food program and/or who have had their old age assistance grants or veteran's pension reduced as a result of receiving the social security increase.

Whereas, these particular recipients have thus had no actual increase in their economic status because of the reductions in their welfare assistance or veteran's pension.

Now therefore be it resolved, by the Senate of the General Court of New Hampshire, the House of Representatives concurring:

That the Congress of the United States is hereby memorialized to enact legislation which will grant this recent social security increase without having any welfare assistance or veteran's pension reduced because of such social security increase, and

Be it further resolved, that pending such congressional action all federal, state and local officials, in their respective official capacities, are urged to attempt to remedy ad-
