In Re: WT Docket No. 96-198
Implementation of Section 255 of the Telecommunications Act of 1996

Dear Ms. Salas:

On June 12th, Mary Brooner and Al Lucas, both from Motorola, met with FCC staff members, Elizabeth Lyle, John Cimko, Susan Kimmel and John Spencer, to discuss issues being raised in the above-captioned proceeding.

Motorola discussed how business decisions would be influenced by proposed changes to the FCC's rules for providing equipment for persons with disabilities and for handling complaints about equipment from consumers. Thus, notice is hereby given of these *ex parte* communications.

Should you have any questions on this matter please contact me at (202) 371-6900.

Sincerely,

Mary E. Brooner
