THE FCC'S OFFICE OF ENGINEERING AND TECHNOLOGY ANNOUNCES TESTING FOR AWS-3 INTERFERENCE

WT Docket Nos. 07-195 and 04-356

The Federal Communication Commission's Office of Engineering and Technology (OET) today announced that testing of the potential for interference from Advanced Wireless Service-3 (AWS-3) operations in the 2155 – 2180 MHz band to adjacent band Advanced Wireless Service-1 (AWS-1) operations will be conducted on September 3 - 5, 2008 at Boeing's test facility near Seattle, Washington.

The testing will be open to the public. Due to space and security considerations, parties wishing to attend must contact the FCC by Friday August 29th to make the necessary arrangements to attend in advance. For questions concerning this testing and/or to pre-register to attend the on-site testing, please contact Ira Keltz, (202) 418-0616, e-mail Ira.Keltz@fcc.gov.
