**RE: Warning Notice: Amateur Radio license N2YHI**

Dear Mr. Williams:

By letter dated February 20, 2007, we notified you that the trustee of the repeater system operating in your area on 147.360, 223.940 and 447.825 MHz has requested in writing that you refrain from use of the repeaters. The request was issued as a result of your failure to follow operational rules set forth by the licensee/control operators of the repeater system for its users. You were requested to respond to the letter stating what action you were taking to comply with the trustee's directive.

Your reply dated March 12, 2007 is returned for signature. Additionally, the trustee has clarified the call sign of the repeaters on which your operation is prohibited. It is WA2ZLB.

Sincerely,

W. Riley Hollingsworth  
Special Counsel
