Dear Larry;

The North American Numbering Council (NANC), by telephonic meeting held on December 22, 1999, approved an updated Thousand Block Pool Administrator Requirements Document. I am pleased, as NANC Chairman, to transmit herewith to your office a copy of the final version of that Requirements Document.

If there are any questions concerning the Requirements Document, please feel free to contact me or Peter Guggina, the Chairman of NANC's Pooling Issues Management Group (who worked tirelessly to timely compile the Requirements Document). Peter can be reached at 972-729-5136 (or via the Internet at: peter.p.guggina@wcom.com).

Thank you very much for your attention to this matter.

Sincerely,

John R. Hoffman
