

Checklist of Information Needed to Complete FCC Form 183

- Applicant's name and legal classification
- Indicate whether the applicant is applying on behalf of itself and one or more existing operating companies
- List of individuals who can communicate with Commission staff and place bids on behalf of the applicant
- List of study area codes, if the applicant is already an eligible telecommunications carrier (ETC)
- List of FRNs used to file FCC Form 477 data as of June 2017, December 2016, and June 2016, as applicable
- Filer ID used to file FCC Form 499-A in the past year, if the applicant files Form 499-A
- Letter of interest from a qualified bank (if the applicant has not been operating for at least two years)
- Qualified operating or financial reports for 2016 and 2017 (if the applicant or its parent company has provided only an electric transmission or distribution service for at least two years)
- Financial statements (unaudited if an applicant has operated for at least two years and is not audited in the ordinary course of business; audited for all other applicants)
- Financial metrics: net income, total amount of interest expense, operating margin, current assets and liabilities, total equity and capital
- Answers to questions listed in Appendix A of the *Auction 903 Procedures Public Notice*
- Each state, performance tier (speed and usage), and latency for which the applicant wants to bid, and the technology that would be used to provide service at that tier and latency
- Information on spectrum bands and bandwidth to which the applicant has access, if it plans to use wireless technology
- The parties with whom the applicant has entered into any agreements regarding the applicant's participation in the auction
- The individuals and entities with an ownership or other interest (direct or indirect) in the applicant and FCC-regulated businesses in which the applicant has a direct interest
- Required certifications
