Dear FCC,

There were multiple acts of women twerking, showing their near naked buttocks, and near nude performances on regular public television which us completely out of control. This should not be seen by families, young boys, or young girls and is a horrible example of values to families and especially our children.

The Grammys, Recording Academy, and CBS should be fined and prhobited from future syndication on public television for broadcasting essentially pornographic material to families and children.

I am requesting a phone call and reply from an administrator from the FCC on this matter.

Sincerely yours,

I find it completely inappropriate that the Grammys were allowed to air that vulgar display of Cards B's WAP. 3/4 naked women on an oversized bed dry humping or scissoring each other. And then to follow it up with women can change the world. How by being a stripper? Very conflicting messages. As a father of two young girls I am ashamed that this kind of stuff can be aired on regular TV. In a world that wants to cancel Dr. Suess and empower the #MeToo movement they feel it appropriate to celebrate a show that is broadcasting about a wet ass pussy! Disgusting. Same on the Grammys and CBS.

While channel surfing, I caught sight of women dancers who had half of their behinds hanging out while doing vulgar dance moves, so out of shock, I stopped to see what the program was. It was the Grammys airing on CBS. I'm not sure who the female "singer" was at the time, but she was soon joined by who I learned was Cardi B who sang the extremely lewd, filthy, disgusting song referred to as WAP. WAP is an acronym for a terribly foul, repulsive title of the song. The FCC really needs to check into the lyrics of this song and watch the segment to which I'm referring to see the nudity and lewd movements that went along with the foul, horrid song. I have no words for how disgusting this was. Absolutely should NEVER have been aired on broadcast tv over the air.

The fact that they were able to perform blatant sexual acts on national television at a time when families with young children are watching is very offensive. Obviously this had to have been pre-approved by the producers of the Grammys, as they had a set with a striper pole and a giant bed. I understand that WAP was a song that was nominated for an award and should be treated like any other song; however the performance could have been made to be appropriate to air on national television. I am extremely disappointed by the Grammy origination and the fact that they would think this would be appropriate to air.

I have never been so offended by an awards show before nor have I ever complained. Too much trash talk, nudity and inappropriate sexual dance moves.

It was truly a show put together without any class.

What could make it better is have the artist send you their video choreographed and if they do not follow it fine then a minimum of 500,000 which can be donated to charity.

The performance with Cardi B and Megan Thee Stallion. Was not appropriate for normal television. The clothes these women were wearing, plus the set, and the dance moves, in addition to the words being sung. Horrible. You have to be 18 to go into a strip club yet one was just provided on daytime television. Wow. If this is the direction the Grammys are going in I will no longer watch or support.

For her to even have this as a song she performs is shameful to her but to allow a national broadcast on LIVE tv where anyone of any age could be watching along is shameful on the FCC if there aren't immediate and SIGNIFICANT penalties imposed on CBS, The Grammy's and the performer. Not only is the song offensive, degrading and nothing but filth but the imagery playing in the background along with the theatrical performance by the dancers and Cardi B herself were of such vile detail that I will not watch CBS shows or another Grammy's event again. I will hope that the FCC will show everyone that this type of performance has no place on national television and that any and all involved will receive immediate and SIGNIFICANT penalties for allowing this sewage to infiltrate the homes of unsuspecting Americans.

I know with today's culture that the country accepts more lax stuff but not all of us. I remember when you couldn't say "damn" on tv and now you allow "GD" to be said and a mess like what I saw last night to show. Please.

You are on the front line of our culture. You can set standards that need to be met like it used to be. You can fix it so our children and grandchildren do not see and hear such things. You can give us new measurements to measure up to. I explore you to please raise the standards to what they used to be.

I am not a prude at all, but was shocked when I turned the channel to the Grammy's last night around 10:00 PM. During the hop hop awards that had a performance by a "meghan the stallion" with extreme closeups of a lot of girls dancing in thongs, simulating sexual acts and twerking with a lot of shaking of some very large butts. I have seen this before but most networks have enough common sense to pan out and not show extreme closeups.

Second, the song chosen by an artist depicted the Floyd incident again inciting anger at making all cops look bad they are not all bad freedom of speech is important and issues need to be resolved but I just wanted to listen to nice music And not Cardi B and her so-called freedom to express herself

She just put actions to the words. I was not watching the show, but I had my granddaughters spending the nite and they had it on. I was keeping an eye on the situation because I had heard that Cardi B was not kid friendly. The only place that should have aired was a porn channel with lots of warnings that it was XXX. I am so disappointed in CBS, but also with the FCC. We need someone to keep the regulations of the FCC enforced.

I want you to park that big Mack truck

Right in this little garage

Make it cream, make me scream

Out in public, make a scene

I don't cook, I don't clean

But let me tell you how I got this ring (ayy, ayy)

Gobble me, swallow me, drip down the side of me (yeah)

Quick, jump out 'fore you let it get inside of me (yeah)

I tell him where to put it, never tell him where I'm 'bout to be

I'll run down on him 'fore I have a nigga running me (pow, pow)

Talk your shit, bite your lip (yeah)

Ask for a car while you ride that dick (while you ride that dick)

You really ain't never gotta fuck him for a thang (yeah)

He already made his mind up 'fore he came (ayy, ah)

Now get your boots and your coat (ah, ah, ah)
For this wet-ass pussy
He bought a phone just for pictures
Of this wet-ass pussy (click, click, click)
Pay my tuition just to kiss me
On this wet-ass pussy (mwah, mwah, mwah)
Now make it rain if you wanna
See some wet-ass pussy (yeah, yeah)
Look, I need a hard hitter, I need a deep stroker
I need a Henny drinker, I need a weed smoker
Not a garden snake, I need a king cobra
With a hook in it, hope it lean over
He got some money, then that's where I'm headed
Pussy A1, just like his credit
He got a beard, well, I'm tryna wet it
I let him taste it, now he diabetic
I don't wanna spit, I wanna gulp
I wanna gag, I wanna choke
I want you to touch that lil' dangly thing
That swing in the back of my throat
My head game is fire, punani Dasani
It's going in dry and it's coming out soggy
I ride on that thang like the cops is behind me (yeah, ah)
I spit on his mic and now he tryna sign me, woo
Your honor, I'm a freak bitch, handcuffs, leashes
Switch my wig, make him feel like he cheating
Put him on his knees, give him something to believe in
Never lost a fight, but I'm looking for a beating (ah)
In the food chain, I'm the one that eat ya
If he ate my ass, he's a bottom feeder
Big D stand for big demeanor
I could make you bust before I ever meet ya
If it don't hang, then he can't bang
You can't hurt my feelings, but I like pain
If he fuck me and ask, "Whose is it?"
When I ride the dick, I'ma spell my name
Ah (whores in this house)
Yeah, yeah, yeah
Yeah, you fucking with some wet-ass pussy
Bring a bucket and a mop for this wet-ass pussy
Give me everything you got for this wet-ass pussy

Description

I'm filing a formal complaint so I can add my voice to the thousands of others who also file a complaint against what can only be called a Pornographic broadcast during the WAP Silk Sonic's song at last night's Grammys. If the FCC's mission is to protect the young and most innocent among us (our children), action must be taken against CBS and the Grammys. An example **MUST** be made if our children have any hope of being able to watch TV in which they are not exposed and taught that this Pornographic, Indecent behavior is "normal" and acceptable in our society. The lyrics alone should have banned it from broadcast television. When you add in two women performing live simulated sexual acts on live TV, it's beyond belief!

Description

I want to voice a complaint about the Megan and Cardie B performance last night on CBS during the Grammy performance. It was vulgar and there was no warning of the content- It was on at 10pm in South Carolina and I'm sure plenty of under age children and teenagers were viewing it. The costumes, dance moves, and lyrics were too much for the general public - without a proper warning. I could go on and on! I have no political or religious stand to promote. I am a woman, daughter, sister, mother, aunt and a long time TEACHER of young children who does not appreciate women being portrayed this way on a regular basis. You are desensitizing people by showing it in a surprise uncensored approach. You could have put a warning up- but I'm sure your performers wouldn't have participated. I'm sure you all made LOTS of money! Shame on you!

Lyrics to WAP are obscene and had no place being sung on primetime, network tv. Doesn't matter if the song is "popular" or not. It is obscene. Lyrics follow:

I said, certified freak
Seven days a week
Wet-ass pussy
Make that pull-out game weak, woo (ah)
Yeah, yeah, yeah, yeah
Yeah, you fucking with some wet-ass pussy
Bring a bucket and a mop for this wet-ass pussy
Give me everything you got for this wet-ass pussy
Beat it up, nigga, catch a charge
Extra large and extra hard
Put this pussy right in your face
Swipe your nose like a credit card
Hop on top, I wanna ride
I do a kegel while it's inside
Spit in my mouth, look in my eyes
This pussy is wet, come take a dive
Tie me up like I'm surprised
Let's role play, I'll wear a disguise

Lady Gaga and Grande dancing in lewd costumes with knives raining out of the sky stabbing them in their thighs with blood oozing out was disgusting. I'm sick of witnessing these artists shaking their butts, dressing 1/2 naked, showing crotch shots and acting like they're engaging in sex with the stage floor is abhorrent. CBS should be ashamed and take responsibility for allowing nudity, use of N word, very profane language, and porn like performances on prime time TV and supposedly a family friendly awards show. There was no warning prior to several performances of their graphic nature. From an industry that claims to promote women and fight for their right to be seen as more than sex objects you just set us back 20 years by allowing these so called artists to simulate sexual positions with minimal clothing. Does CBS not have any morals, ethics or feel any responsibility that children were exposed to what I can only describe as a performance only worthy of a strip club stage. Children watch these shows because they love music and some are aspiring artists, I surely hope our young women don't take away that they need to show their body to be noticed, that is not talent. Again, if CBS is going to allow such performances there needs to be a warning and not aired before 10pm.

Description

There's no way last night's GRAMMY performance by Cardi B and Megan Thee Stallion didn't cross a line of decency during prime time TV on the west coast and in communities observing mountain time. The fact that they changed song lyrics to avoid saying p***y is not satisfactory. For far too long, "decency" standards have primarily only centered around word usage and exposure of body parts . There's another level of indecency -- suggestive sexual moves. This is what happened last night. I'm sure you've seen the footage. How is this OK for young viewers? The FCC needs to give new thought to its standards now /today before more and more artists push the limits . Certain body actions should be prohibited -- just like certain words are and the exposure of certain body parts. After all, both words AND actions form habits, which form character and ultimately, destiny. Our young children deserve better.

[Ticket: # 4623298 - WAP Grammy.](#)

Description

The display at the Grammys last night and the performance of WAP was offensive and inappropriate for a Prime time television show on regular television. This is outrageous. The “warning” to “tell your kids this song is about washing your cat” is not a warning...this is beyond offensive and degrading. The “dance” routine is straight out of a gogo bar, which requires being over 18 years of age....and this was broadcasted on regular television. How can this be decent for under 18 years of age children?

Trash. My tax dollars and millions of other citizens pay taxes to keep literal filth and trash off the air. No excuses. When this kind of garbage is aired we don't need the FCC. We keep seeing this happen and it's time to put some teeth to the issue, tell spoiled children (that's who these performers are) to keep their clothes on, go do their sexual gyrations in private (where they should be), stay off television and step in to parent Hollywood again. Has the FCC even listened to the lyrics in this song?....disgusting and objectivizes women. Where's the outrage from female members of the FCC. It isn't harmless ladies. We have people suffering on the streets, without homes, but somehow massive resources are used to produce this disgrace. We are lost and the FCC needs to step in and say, No, this is not right, figure it out. Thank you.

Hop on top, I want a ride

I do a kegel while it's inside

Spit in my mouth, look at my eyes

This pussy is wet, come take a dive

Tie me up like I'm surprised

Let's roleplay, I wear a disguise

I want you to park that big Mack truck right in this little garage

Make it cream, make me scream

Out in public, make a scene

I don't cook, I don't clean

But let me tell you, I got this ring (ayy, ayy)

Gobble me, swallow me, drip down the side of me (yeah)

Quick, jump out 'fore you let it get inside of me (yeah)

I tell him where to put it, never tell him where I'm 'bout to be

I run down on him 'fore I have a nigga runnin' me

Not a garden snake, I need a king cobra
With a hook in it, hope it lean over

He got some money then that's where I'm headed
Pussy A-1, just like his credit
He got a beard, well, I'm tryna wet it
I let him taste it, and now he diabetic
I don't wanna spit, I wanna gulp
I wanna gag, I wanna choke
I want you to touch that lil' dangly thing that swing in the back of my throat

My head game is fire, punani Dasani
It's goin' in dry, and it's comin' out soggy
I ride on that thing like the cops is behind me (yuh, ah)
I spit on his mic' and now he tryna sign me, woo

Switch my wig, make him feel like he cheatin'
Put him on his knees, give him some' to believe in
Never lost a fight, but I'm lookin' for a beatin' (ah)

In the food chain, I'm the one that eat ya
If he ate my ass, he's a bottomfeeder
Big D stand for big demeanor
I could make ya bust before I ever meet ya

If it don't hang, then he can't bang
You can't hurt my feelings, but I like pain
If he fuck me and ask, "Whose is it?"

AWFUL Grammys!

The Cardi B " WAP" performance was vile, demeaning and lascivious debauchery. What a complete degrade towards women! What a complete let down for our children! Exposing them to soft core porn! With COVID, these children and young adults have been through enough on their mental health!

The Academy should be appalled at supporting this pathetic standard for talent ! America has hit a new low for our children and I am disgusted that the Academy would not come out after the fact to tell the children of this country that the Grammy team will work towards improving what is shown to them - award shows should be full of positive, safe content not soft core porn! UNACCEPTABLE!

The Academy and the producers of the show should be disgusted with themselves. Stop supporting content on TV that encourages sexual behavior on programs that you know children and young adults are watching! Take responsibility for a better tomorrow! I knew better than to watch this with my family but others did not -- and it left their children exposed and parents disgusted!

Grammys, you have become a complete disappointment.

Why the evening show has turned into a trip to the strippers during Prime Time. For Cable is one thing but this has become like the Oscars only awarding R and NC-17 rated movies awards. I honestly think this needs to be addressed people of all ages and musical interests should be able to enjoy the Grammys again.

The Grammys was a disgusting display of vulgarity. It was offensive to anyone with eyes. I had to shield my 14 year old from this garbage until I could change the channel. There is no way this show could be rated G or PG. it wasn't even fit for a PG-13 audience. How can you allow this on broadcast TV, especially without some kind of warning? CBS, the Grammys, and these women (Cardi and Megan) should be fined and punished. How exactly can Dr Seuss and Dumbo be offensive but this garbage is allowed to hurt the minds of our kids?

There's a REAL need to address the kind of BS that is "part of the grammy awards" now. This last experience means I will NEVER be back. W.A.P. needs to be a household name? My daughter is an adult, but what about all the people who have small kids? That's why those of us in my age group laugh at the ridiculous social narrative. We want equality (through objectification, hmm)?? LOL!! Never mind the fact that I'm NOT just "some old guy", I'm actually a fairly accomplished lifelong musician, I feel the grammy's have shown how un-neccessary they've become. They are NO LONGER the level to rise to. As if anyone mentioned did 1/2 for music (or even just the guitar as an instrument) what Eddie Van Halen did? There are patents, redesigns of what is now "standard". Below I've checked indecency as my reason. If there were multiples available, complete lack of musical taste would have also been selected.

I watched the Emmys on CBS on Sunday and I was appalled that the performance by Cardi B and Megan Thee Stallions was allowed to be broadcast during Prime time viewing! Even my 14 year old granddaughter was shocked! 'Twerking' has a place in a live performance (I suppose), but NT broadcast on general television.

It was sending a message that it is ok for women to objectify themselves, whilst the 'Me Too' movement is striving to gain equality for women. The overt sexuality on-screen for a lengthy period of time is NOT what we, the American public, want to see.

I applaud these women for wanting to show the world they are 'modern' but overt sexuality that offends the majority of the public is not the way to do it!

I hope your critics are embarrassed by their oversight in this instance.

I hope the FCC fines everyone involved and forces them to perform hours of sensitivity training for using bad judgement and allowing this kind of skank performances to air during primetime.

Thank you for your time

I think the performance by Cardi B and Meghan Thee Stallion was DISGUSTING and TASTELESS. Their vulgar display should not be aired during PRIMETIME. If the academy insists on showing such a performance it should be later, like 8:00-9:00 p.m., or later. I will not be watching this awards ceremony ever again. I'm disappointed that the producers allowed this display to be aired... what, do they think that this is what the audience wants to see; they're dead wrong. Please monitor better... isn't that your job? Thank you!

Dear to who ever reads this

The performance of the song WAP by Megan The Stallion was inappropriate to the highest level and CBS should face the Law. The Grammys used to be a nice family oriented event. Suitable for about all ages. Have a female twerk on an other females face is uncalled for. On one of the Nation's largest broadcasting networks. My Grandmother leaves CBS on the TV 24/7. What if to say grandparents fall asleep while the Grammys are on. The children start twerking on eachothers facing. Parents will ask the children why are you doing that and the children will reply they're dancing. That's just one example of many that could cause children to see such faul things. It will teach them to be like the kids on "Cuties" from Netflix. THIS IS NOT OKAY!!!

Seven days a week

Wet-ass pussy

Make that pull-out game weak, woo (ah)

Yeah, yeah, yeah, yeah

Yeah, you fucking with some wet-ass pussy

Bring a bucket and a mop for this wet-ass pussy

Give me everything you got for this wet-ass pussy

Beat it up, nigga, catch a charge

Extra large and extra hard

Put this pussy right in your face

Swipe your nose like a credit card

Hop on top, I wanna ride

I do a kegel while it's inside

Spit in my mouth, look in my eyes

This pussy is wet, come take a dive

Tie me up like I'm surprised

Let's role play, I'll wear a disguise

I want you to park that big Mack truck

Right in this little garage

Make it cream, make me scream

Out in public, make a scene

I don't cook, I don't clean

But let me tell you how I got this ring...

Since the beginning of my services with Directv, it has engaged in unlawful 's practices against me to include price gouging, cramming, excessive fees and switch and bait. Specifically, each month, I receive bills for \$200, \$300 and \$400 for a package that is not all inclusive. I have made periodic complaints regarding the unreasonable fees, prices, penalties. I have also complained that my monthly fees are a switch from when I was baited into becoming a Directv customer.

Additionally, I am continuously experiencing LOUD COMMERCIALS from Directv . I am experiencing this problem on every channel during all times of the day and night. The commercials are so loud that I am constantly being startled by the loud sudden sounds of commercials. This has interferes with my cardiac medical condition and my anxiety.

CBS should be fined after the obvious obscenities shown Sunday 03/14/21 on the Grammys between rappers Cardi B and Megan Thee Stallion. No child should have been able to access and watch the disgusting nature that took place. They will argue its freedom of expression, or art, Im sure, but there is a time and place- and local basic television was neither. When youve got two women of power who young girls idolize basically having sex on stage is unacceptable.

I am OUTRAGED that Cardi B and Megan three stallion were allowed to not only SING THE LYRICS OF THE FILTHY SONG, but also reenact on stage during prime time hours on CBS. This was a XXX performance that kids all around the world watched. The song included Nigger, Pussy, re-enacted girl sex, and described sex in a filthy way. It is demoralizing to girls everywhere to be taught you have to f*ck someone in order to have school paid for or to buy a car. What's that message? Prostitute yourself. This is OUTRAGEOUS.

This performance was COMPLETELY inappropriate, and the fees issued to the carrier of the Grammy's should be fined to maximum allotment and so should these "performers." This should have never aired, a or should have been IMMEDIATELY interrupted when the performance was all but naked females on stage. The "dance" was more offensive than what you see in a strip club. The FCC has truly forgotten that it was meant to defend against suggestive nature such as this.

Megan Thee Stallion thinks that their type of performance is normal? I think the FCC has gone off the tracks over the last many years allowing more bad language, suggestive scenes, and from what I saw on news stories for the Grammys, a vulgar scene depicting lesbians writhing on stage in front of potentially millions. Is that what passes as acceptable entertainment now? No wonder the Grammys had so few people watching. Your organization is supposed to set standards for broadcast entertainment. Right. You are allowing stuff shown on TV that should be rated a heavy R or X. I think as a government entity, your organization needs to be scrapped and start over.

It is unbelievable parts of this show made it through censorship screening. A song titled WAP, which everyone knows stands for WET ASS PUSSY aired live, while the "artist" performed as adult dancers (AKA, strippers). Did the Grammy coordinators lie or hide the true nature of some of these performances? If not, and CBS was fully aware of the content that would be airing LIVE, they should be fined heavily and the Grammy's, as an organization, should be prevented from airing live events. This performance is the definition of lude and explicit, how the hell was it allowed to be on television? You know who the target audience for the Grammy's is, and THIS is what everyone thought was good television for teenagers and young adults?

The Grammy's show was disgusting! There are no morales values, and ethics. We need to have guidelines on all forms of media tv, streaming, web content, app development, podcasts, music videos, and music lyrics.

What is being done about this? This is one reason why we are having so many problems in our society no rules anything goes. Please address this. We will continue to boycott all sponsors of this. How can Jay Zee, and Jeff Besos continue to control media this is a monopoly and needs to stop???????

I cannot believe that your censors allowed this to be shown on TV. Per the definition below about what your Commission should be doing, you definitely did not do your job. This was disgusting to watch and I want to make sure you know that you are aware and will do something about it. I hope your teenagers never watch this type of explicit disgusting tv because they will think it's ok to do the same...do you want your kids to do this? Think about your daughter or son out there doing this sort of thing. You want women to be taken seriously with this ME TOO movement, allowing this type of indecency on national television, suggests that women are nothing more than sexual objects. Disgusting!!!!

The FCC, or Federal Communications Commission, is tasked with making sure the broadcast airwaves are free of "obscene" programming. The FCC defines this as "material that, in context, depicts or describes sexual or excretory organs or activities in terms patently offensive as measured by contemporary community standards for the broadcast medium."
