“988” is the three-digit, nationwide phone number to connect directly to the 988 Suicide and Crisis Lifeline.

Too many people experience suicidal crisis or mental health-related distress without the support and care they need. There are urgent mental health realities driving the need for crisis service transformation across our country. In 2020 alone, the U.S. had one death by suicide about every 11 minutes—and for people aged 10-34 years, suicide is a leading cause of death.

There is hope. The 988 Suicide and Crisis Lifeline – previously known as the National Suicide Prevention Lifeline – is a **national network of more than 200 crisis centers** that helps thousands of people overcome crisis situations every day. These centers are supported by local and state sources as well as the Department of Health and Human Services’ Substance Abuse and Mental Health Services Administration (SAMHSA). As of July 16, 2022, all calls and text messages to “988” route to a 988 Suicide and Crisis Lifeline call center.
