

Frequency of Response: On-occasion, biennial, and annual reporting requirements.

Total Annual Burden: 255 hours.

Total Annual Cost: \$1,200,000.

Needs and Uses: The Commission will submit this expiring information collection to the Office of Management and Budget (OMB) after this comment period to obtain the three year clearance from them. There is no change to the reporting requirements. Section 64.904(a) requires each incumbent LEC required to file a cost allocation manual is required to either have an attest engagement performed by an independent auditor every two years, covering the prior two year period, or have a financial audit performed by an independent auditor biennially. In either case, the initial engagement shall be performed in the calendar year after the carrier is first required to file a cost allocation manual. See Section 64.904(a)–(c). Instead of requiring mid-sized carriers to incur the expense of a biennial attestation engagement, they now file a certification with the Commission stating that they are in compliance with 47 CFR 64.901 of the Commission’s rules. The certification must be signed, under oath, by an officer of the incumbent LEC, and filed with the Commission on an annual basis. Such certification of compliance represents a less costly means of enforcing compliance with our cost allocation rules. See 47 CFR 64.905 of the Commission’s rules. The requirements are imposed to ensure that the carriers are properly complying with Commission rules. They serve as an important aid in the Commission’s monitoring program.

SUPPLEMENTARY INFORMATION:

Proposal to renew the following currently approved collection of information:

1. *Title:* Interagency Biographical and Financial Report.

OMB Number: 3064-0006.
Forms: 6200/06.

Affected Public: Individuals or households; business or other for profit; Insured state nonmember banks and state savings associations.

Burden Estimate:

SUMMARY OF ESTIMATED ANNUAL BURDEN
[OMB No. 3064-0006]

Information collection (obligation to respond)	Type of burden (frequency of response)	Number of respondents	Number of responses per respondent	Time per response (HH:MM)	Annual burden (hours)
1. Form 6200/06—Interagency Biographical and Financial Report, 12 U.S.C. 1815(a), 1817(j), and 1831i (Mandatory).	Reporting (On Occasion).	136	2.86	04:30	1,751
<i>Total Annual Burden (Hours):</i>	1,751

Source: FDIC.

General Description of Collection: The Interagency Bank Merger Act Application form is used by the FDIC, the Board of Governors of the Federal Reserve System, and the Office of the Comptroller of the Currency for applications under section 18(c) of the Federal Deposit Insurance Act (FDIA), as amended (12 U.S.C. 1828(c)). The application is used for a merger, consolidation, or other combining transaction between nonaffiliated parties as well as to effect a corporate reorganization between affiliated parties (affiliate transaction). An affiliate transaction refers to a merger

transaction or other business combination (including a purchase and assumption) between institutions that are commonly controlled (for example, between a depository institution and an affiliated interim institution). There are different levels of burden for nonaffiliate and affiliate transactions. Applicants proposing affiliate transactions are required to provide less information than applicants involved in the merger of two unaffiliated entities. If depository institutions are not controlled by the same holding company, the merger transaction is considered a non-affiliate transaction.

There is no change in the methodology or substance of this information collection. The reduction in estimated annual burden (from 2,313 hours in 2021 to 1,751 hours currently) is due to the decline in the historical number of Reports received by the FDIC, which is the basis for the estimated number of annual responses.

2. *Title:* Foreign Banks.

OMB Number: 3064-0114.

Affected Public: Insured branches of foreign banks.
