Amendment to the Memorandum of Understanding Between the Federal Communications Commission and the Universal Service Administrative Company, signed December 19, 2018

By mutual agreement, the Federal Communications Commission (FCC) and Universal Service Administrative Company (USAC) revise the Memorandum of Understanding (MOU), dated December 19, 2018, to strike the existing first sentence of section VI, entitled "REVISION AND DURATION," and to replace it with the following sentence: "This MOU became effective on December 19, 2018, and was amended effective November 22, 2021 upon signature by both Parties, and as amended will remain in effect until June 17, 2024, unless revised or terminated by mutual agreement in writing between the Commission and USAC."
