Explanation of Effort and Availability of Commercial Equipment

*Provide an explanation of efforts undertaken, and challenges encountered, in permanently removing, replacing, and disposing of covered communications equipment or service.

Yes, my company has conducted work on the removal of covered equipment since submittal of the last form. We have completed removal at 16 sites and started migration at 2 sites. No, my company has NOT conducted work on the disposal of covered equipment since the submittal of the last form. We are focused on pulling equipment out of service in this stage of the project. Yes, my company has conducted work on the replacement of covered equipment and services since the submittal of the last form. We have completed removal at 16 sites and started migration at 2 sites

*Explain whether you are finding commercially available equipment in the marketplace. If not, then explain efforts taken to obtain replacement equipment.

Yes, we are finding that equipment and services are commercially available. We are in the process of complying with the requirements of the reimbursement program.

* If there is additional information relevant to the preceding questions or that you believe the Commission should be aware of, please include the information below.

We have not met the project timelines, The timeline accurately reflects our project plan, but work has shifted significantly by at least a year. We have had to slow down our timeline due to cash flow problems caused by delays in reimbursements by the FCC. We don't have money to pay vendors, therefore cannot order the needed products to complete our work.
