SUBJECT: WARNING NOTICE: Amateur Radio license N9ZHW; Case #EB-2007-3049

Dear Mr. Hubeny:

On June 1, 2007 we sent you a complaint received by the Commission concerning the operation of your Amateur station on non-Amateur frequencies. The complaint alleged deliberate interference. Although the complaint was related to non-Amateur operation, if true it raises serious questions regarding your qualifications to retain an Amateur license.

Our letter requested, pursuant to Section 308(b) of the Communications Act of 1934, as amended, 47 U.S.C. § 308(b), that you respond within 20 days of receipt fully addressing the complaint. You were also requested to clarify your mailing address for your Amateur license.

We have not received a response to the June 1, 2007 letter. Failure to respond appropriately to this letter of inquiry may constitute a violation of the Communications Act and our rules. We will afford you an additional 20 days from the date of this letter to respond.

Sincerely,

W. Riley Hollingsworth
Special Counsel
