CERTIFIED MAIL – RETURN RECEIPT REQUESTED

September 21, 2007

P. O. Box 1472

SUBJECT: Amateur Radio license KM0Q; Case #EB-2007-614

Dear Mr. Coleville:

On March 16, 2007, we sent you copies of complaints received by the Commission concerning the operation of your Amateur station. The complaints alleged deliberate interference, broadcasting and failure to identify. Our letter stated that the information contained in the complaints, if true, raised serious questions regarding your qualifications to retain an Amateur license. We requested detailed information from you pursuant to Section 308(b) of the Communications Act of 1934, as amended, 47 U.S.C. § 308(b), which gives the Commission the authority to obtain information from applicants and licensees about the operation of their station and their qualifications to remain a licensee.

After telephone conversations, you responded to our letter on July 16, 2007, accepting a six month restriction on your license that would prohibit operation on any Amateur station on UHF or VHF for a period of six months in order to avoid further enforcement sanctions. That restriction is retroactive to July 9, 2007, and **will end at midnight January 6, 2008.**

Thank you for your cooperation in this matter. Please call me at 717-338-2502 if you have any questions.

Sincerely,

W. Riley Hollingsworth
Special Counsel
