RE: WARNING NOTICE: Amateur license KR4UQ Club Call Signs; Case # EB-2005-2711

Dear Mr. Amato:

On June 28, 2006, we wrote you concerning the following club call signs in your name as trustee, sixteen of which were granted on the same day:

WC4VAA	Virginia ARES RACES Inc. Area 4
W4VSR	Virginia Races Inc for Southern Virginia Regional Medical Center
N4DHF	Virginia Races Inc for Henrico Doctor's Hospital-Forest
K4MVH	Virginia Races Inc for McGuire Veteran's Hospital
WC4RH	Virginia Races Inc for Retreat Hospital Mountain Rptr Association
KC4CMC	Virginia Races Inc for Chippenham Medical Center
W4VCU	Virginia Races Inc for Virginia Commonwealth University Medical Center
KC4JRM	Virginia Races Inc for John Randolph Medical Center
K4SRM	Virginia Races Inc for Southside Regional Medical Center
W4CMH	Virginia Races Inc for Community Memorial Hospital
N4HRH	Virginia Races Inc for Halifax Regional Hospital
K4MRM	Virginia Races Inc for Memorial Regional Medical Center
W4SMH	Virginia Races Inc for Saint Mary's Hospital
N4SCH	Virginia Races Inc for Southside Community Hospital
N4JWH	Virginia Races Inc for Johnston-Willis Hospital
W4DHP	Virginia Races Inc for Henrico Doctor's Hospital-Parham
WC4RC	Virginia Races Inc for Richmond Community Hospital

You supplied information to the Enforcement Bureau indicating that the call signs were not requested for club stations and that Virginia RACES, Inc. is not a club but, instead, is a Virginia Not-For-Profit corporation. Our June 28, 2006 letter notified you, however, that the applications you filed for these licenses were for club station licenses, and that there is no provision in the Commission's Amateur Service Rules that allows for the licensing of not-for-profit corporations. Our letter pointed out that the types of station licenses that can be granted in the Amateur Service are shown in Section 97.5 of our rules, and further that section 97.17(a) of our rules provides that only a "person" is eligible to apply for a new operator/primary station, club station or military recreation station license grant."

The June 28, 2006 letter afforded you 45 days to conform the licenses to Commission rules. You responded by letter dated July 13, 2006 stating that your counsel would reply to the Enforcement Bureau

regarding this matter, but no response has been received. We are affording you 30 days to properly license the entities listed above or submit the licenses for cancellation. Failure to take action in this matter will result in enforcement action against your license.

Sincerely,

W. Riley Hollingsworth
Special Counsel
