Amateur Radio License KC7LVR  
EB-10-GB-0019

Dear Mr. Fee:

By letter dated February 24, 2010, the Commission notified you that it had received a complaint regarding the operation of your amateur station. The complaint alleged that you have been operating under the amateur radio call sign K7KQ rather than your own call sign – KC7LVR.

Your parents responded to the Commission's letter on March 1, 2010. In that letter, they indicate that you currently live with them due to a medical condition and state that you have been under a doctor's care for this condition for several years. They acknowledge that you may not have been operating your amateur radio properly, note that they are sorry for what happened and indicated that they will endeavor to ensure that you operate your radio properly going forward.

Your operation as described above is contrary to the basis and purpose of the amateur radio service as set out in Section 97.1 of the Commission's rules.<sup>1</sup> Please be advised that the Commission expects you to abide by its rules. This letter serves as notice that, if operation of this type reoccurs after receipt of this letter, you could be
