Dear Mr. Harkrader:

TOTE Holdings, LLC (Provider ID 130315) and First American Holdings, Inc. (Provider ID 440000) hereby confirm that they elect the Enhanced Alternative Connect America Cost Model (Enhanced A-CAM) support amount for the state of Texas, as specified in Report 1.1 released on August 30, 2023. In return, the Companies commit to satisfy the specific service obligations associated with that amount of model support. This includes both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to locations the Company currently serves.

TOTE Holdings, LLC and First American Holdings, Inc. plan to use the following technologies to meet its Enhanced A-CAM deployment obligations: fiber to the premises and a mix of licensed and unlicensed terrestrial fixed wireless.
