Re: Election for Citizens Mutual Telephone Cooperative
Public Notice DA 23-779, released August 30, 2023

Dear Mr. Wang,

By this letter, Citizens Mutual Telephone Cooperative, Study Area Code 351129, accepts the Commission's offer of Enhanced Alternative Connect America Cost Model (Enhanced A-CAM) Version 2.6.0, support in the amount of \$2,066,103 annually for 15 years, as specified in Report 1.1 at the \$350 per location funding cap, and with resulting build-out obligations as presented in FCC WCB Public Notice DA 23-779, released August 30, 2023. Citizens Mutual Telephone Cooperative commits to satisfy the specific service obligations associated with that amount of model support, including both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to currently served locations.

The technology Citizens Mutual Telephone Cooperative plans to use to meet their Enhanced A-CAM deployment obligation is GPON Fiber to the Premises.

Sincerely,

Vince Tyson
