RE: Enhanced A-CAM

To: Federal Communication Commission

Citizens Telephone Cooperative, confirms their election of the Enhanced A-CAM support amount of \$1,997,303 annually as specified in Report 1.1 for the 15 year period.

We hereby commit to serve the remaining 3,066 unserved customers with 100/20 Mbps or faster deployment within the allotted time allowed. The remaining locations will be served by Fiber.

Citizens commits to maintain our existing A-CAM locations with the funding support to ensure reliable broadband is available to all A-CAM locations.

All Citizens A-CAM customers are served by a fiber deployment network.

Citizens understands that this is an enforceable commitment to deploy qualifying broadband available to each location.

A handwritten signature in black ink, appearing to read "Donna Smith". The signature is fluid and cursive, with the first name "Donna" being more prominent than the last name "Smith".
