RE: Direct Management Company – Election of Enhanced A-CAM Support in Utah

Dear Mr. Harkrader:

Direct Management Company (Provider ID 440186) hereby confirms that it elects the Enhanced Alternative Connect America Cost Model (Enhanced A-CAM) support amount for the state of Utah, as specified in Report 2.1 released on September 21, 2023. In return, the Company commits to satisfy the specific service obligations associated with that amount of model support. This includes both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to locations the Company currently serves.

Direct Management Company plans to use the following technologies to meet its Enhanced A-CAM deployment obligations: fiber to the premise, limited unlicensed terrestrial fixed wireless (if necessary), or other emerging technologies proven to be reliable and capable of providing required speed and performance levels.

Please contact me at 208-945-8019 or michael@muleops.com if you have any questions or require additional information.

Sincerely,

R. Michael Parrish
