**RE: CP-TEL Holdings, Inc. – Election of Enhanced A-CAM Support in Louisiana**

Dear Mr. Harkrader:

CP-TEL Holdings, Inc. ([PROVIDER ID 130362]) hereby confirms that it elects the Enhanced Alternative Connect America Cost Model (Enhanced A-CAM) support amount for the state of Louisiana, as specified in Report 2.1 released on September 21, 2023. In return, the Company commits to satisfying the specific service obligations associated with that amount of model support. This includes both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to locations the Company currently serves.

CP-TEL Holdings, Inc. plans to use the following technologies to meet its Enhanced A-CAM deployment obligation: the goal is to use fiber to the premises; and in very limited instances alternative technologies that meet the performance testing requirements would be explored.

Please contact me at 318-352-0014 or [tedens@epictouch.com](mailto:tedens@epictouch.com), if you have any questions or require additional information.

Sincerely,

Tom Edens  
Vice-President – General Manager
