Re: Enhanced A-CAM Election Letter Tri-Co Technologies, LLC/dba Tremolo Communications – Provider ID 350106

To Whom It May Concern:

Tri-Co Technologies, LLC/dba Tremolo Communications ("Company") hereby submits this letter to indicate that it will elect the Enhanced Alternative Connect America Model ("A-CAM") support under the Provider ID 350106. The Federal Communications Commission's Enhanced A-CAM Election Public Notice instructed authorized A-CAM companies to file a letter by September 29, 2023 confirming that it elects "the Enhanced A-CAM support amount as specified in Report 1.1 released today and commits to satisfy the specific service obligations associated with that amount of model support, including both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to currently served locations."

The Company commits to satisfying the specific service obligations associated with the revised amount of model support that it is eligible to elect in the State of Minnesota. The revised amount the Company intends to elect, and the associated revised service obligations it commits to satisfying are identified in Report 1.1.

The Company intends to deploy Technology Code 50 as defined in the Form 477 Fixed Broadband Deployment Data, as complimentary technology solutions are developed the Company will utilize those that improve the ability to reach extremely high-cost areas economically.

Please contact the undersigned with any questions on the Company's Enhanced A-CAM election described herein.

Sincerely,

Josh Netland

President/General Manager
