**Re: Enhanced A-CAM Election Letter  
Fail Telecommunications  
Corporation (SAC 130354)  
Provider ID 140030**

To Whom It May Concern:

Fail, Inc. hereby submits this letter to indicate that it will elect the Enhanced Alternative Connect America Model (Enhanced A-CAM) support in Study Area Code 130354 in Georgia.

The Federal Communications Commission's Wireline Competition Bureau (Bureau) released a Public Notice instructing rate-of-return carriers electing EA-CAM to file a letter via email by September 29, 2023 confirming that it "elects the Enhanced A-CAM support amount as specified in Report 1.1 released on August 30, 2023, and commits to satisfy the specific service obligations associated with that amount of model support, including both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to currently served locations.

The Company hereby commits to satisfying the specific service obligations associated with that amount of model support that it is eligible to receive in Georgia including both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to currently served locations. The location totals and specific service obligations for each type of location are specified in the Excel workbook entitled "Enhanced A-CAM-A-CAM 2.6.0-Report Version 1", Report/Table 1.2 (Supported locations 562). The amount the Company intends to elect is identified in Report/Table 1.1 (annual support - \$46,929). The Company hereby notifies the Bureau that it intends to use fiber to meet its Enhanced A-CAM deployment obligations.

Please contact the undersigned with any questions on the Company's Enhanced A-CAM election described herein.
