Re: Madco Holding Company – Election of Enhanced A-CAM Support in Arkansas

Dear Mr. Harkrader:

Madco Holding Company (130768) hereby confirms that it elects the Enhanced Alternative Connect America Cost Model (Enhanced A-CAM) support amount for the state of Arkansas, as specified in Report 1.1 released on August 30, 2023. In return, the Company commits to satisfy the specific service obligations associated with that amount of model support. This includes both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to locations the Company currently serves.

Madco Holding Company plans to use the following technology to meet its Enhanced A-CAM deployment obligations: fiber to the premises.

Sincerely,
