RE: The Valliant Telephone Company – Election of Enhanced A-CAM Support in Oklahoma

Dear Mr. Harkrader:

The Valliant Telephone Co., Provider ID 131412 hereby confirms that it elects the Enhanced Alternative Connect America Cost Model (Enhanced A-CAM) support amount for the state of Oklahoma, as specified in Report 1.1 released on August 30, 2023. In return, the Valliant Telephone Co. commits to satisfy the specific service obligations associated with that amount of model support. This includes both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to locations the Company currently serves.

The Valliant Telephone Co. plans to use the following technologies to meet its Enhanced A-CAM deployment obligations: fiber to the premises; licensed terrestrial fixed wireless.

Please contact me at (580) 933-4400 or telephon@valliant.net if you have any questions or require additional information.

Sincerely,

A handwritten signature in black ink that reads 'Bobby Dorries'.
