## Enhanced A-CAM Election Letter

**Company Name:** Day Management Corporation

**Attestation of Company Officer:** I, Brooke Wheeler, am the Secretary and Treasurer of Day Management Corporation, parent company of Cascade Utilities, Inc. (Oregon, SAC 532371) and Trans-Cascades Telephone Company (Oregon, SAC 532378), of which I am the Chief Executive Officer. We have reviewed the Enhanced A-CAM support offer as specified in Report 1.1 released August 30, 2023.<sup>1</sup> I hereby confirm that **Day Management Corporation (SAC 532371 and SAC 532378) elects Enhanced A-CAM support** as specified in Report 1.1 and commits to satisfy the specific service obligations associated with that amount of model support, including both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to currently served locations. It is our understanding that all erroneous locations will be trued up through the process provided by the Enhanced A-CAM program and all errors within the offer and/or location count will be corrected prior to finalization of the offer.<sup>2</sup>

**Identification of Technologies Planned to be Used:** In order to meet the Enhanced A-CAM deployment obligations, Cascade Utilities, Inc. and Trans-Cascades Telephone Company (Day Management Corporation) will deploy a network consisting of fixed wireline service using fiber to the premise for almost all locations (technology code 50). In the small number of extreme situations where it isn't feasible to provide the location with fiber, we will deploy a fixed wireless solution (technology code 70, 71, 72, 0).

If you need additional information to finalize our Enhanced A-CAM offer acceptance, please contact me as outlined below.

Sincerely,

Brooke Wheeler  
Secretary and Treasurer
