Election letter submitted to Bureau at [ConnectAmerica@fcc.gov](mailto:ConnectAmerica@fcc.gov)

Dear Mr. Harkrader,

LICT Corporation and newly formed Holding Company, MachTen, Inc. (MAC), as well as MAC's wholly owned MI subsidiaries, Upper Peninsula Telephone Company (UPTC) and Michigan Central Broadband Company, LLC (MCBC) jointly submit this letter signed by officers of these entities confirming election of the following Enhanced A-CAM support amount as specified in Report 1.1 released August 30, 2023 and also confirmed in Report Version 2 . Tables 2.1 through 2.5 released on September 21, 2023. We commit to satisfy the specific service obligations associated with the following model support, including both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to currently served locations:

Entity Information					All Areas		Non-Tribal Areas		Tribal Areas	
State	Provider ID	Holding Company	Current Funding Mechanism	Total Locations	Total Enhanced A-CAM Support Amount, Annual \$	Total Enhanced A-CAM Supported Locations	Enhanced A-CAM Support Amount for Non-Tribal Locations, Annual \$	Non-Tribal Enhanced A-CAM Supported Locations	Enhanced A-CAM Support Amount for Tribal Locations, Annual \$	Tribal Enhanced A-CAM Supported Locations
MI	160127	LICT Corporation	ACAM	12,454	9,674,643	6,971	9,662,402	6,959	12,241	12

Both LICT and MAC are submitting this election notification because on August 31, 2023, LICT completed a spin-off of the above listed Michigan Enhanced A-CAM locations to MAC. Since the Enhanced A-CAM reports were issued prior to the spin-off, the LICT Michigan locations are identified as LICT Corporation (Provider ID 160127) rather than MAC. The FCC transfer paperwork will be filed by October 2, 2023.

MAC, UPTC and MCBC intend to predominately use Fiber-to-the-Home and Fixed Wireless plus any other FCC approved technologies achieving FCC performance requirements to meet these deployment obligations.

Best regards,
