RE: Dobson Technologies, Inc. – Election of Enhanced A-CAM Support in Arkansas

Dear Mr. Harkrader:

Dobson Technologies, Inc. and its subsidiaries (#130425) (the “Company”) hereby confirms that it elects the Enhanced Alternative Connect America Cost Model (Enhanced A-CAM) support amount for the state of Arkansas, as specified in Report 2.1 released on September 21, 2023. In return, the Company commits to satisfy the specific service obligations associated with that amount of model support. This includes both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to locations the Company currently serves.

The Company is currently considering the following technologies to meet its Enhanced A-CAM deployment obligations: fiber to the premises.

Please contact Trent LeForce at 405-242-0336 or tleforce@dobson.net if you have any questions or require additional information.

Sincerely,

A handwritten signature in blue ink, appearing to be "FM", followed by a long horizontal line.
