Re: Election for Massena Telephone Company
Public Notice DA 23-779, released August 30, 2023

Dear Mr. Wang,

By this letter, Massena Telephone Company, Study Area Code 351239, accepts the Commission's offer of Enhanced Alternative Connect America Cost Model (Enhanced A-CAM) Version 2.6.0, support in the amount of \$597,774 annually for 15 years, as specified in Report 1.1 at the \$350 per location funding cap, and with resulting build-out obligations as presented in FCC WCB Public Notice DA 23-779, released August 30, 2023. Massena Telephone Company commits to satisfy the specific service obligations associated with that amount of model support, including both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to currently served locations.

The technologies Massena Telephone Company plans to use to meet their Enhanced A-CAM deployment obligations are:

Active ethernet fiber to the premises network
