RE: Yankee Telecom, Inc. – Election of Enhanced A-CAM Support in New Hampshire

Dear Mr. Harkrader:

Yankee Telecom, Inc. (Provider ID 131517) hereby confirms that it elects the Enhanced Alternative Connect America Cost Model (Enhanced A-CAM) for the state of New Hampshire, as specified in Report 2.1 released on September 21, 2023, or as further modified to utilize actual 2022 High-Cost Support as reported on the Company's FCC Form 509 Connect America Fund-Broadband Loop Support.

In return, the Company commits to satisfy the specific service obligations associated with that amount of model support via the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to locations the Company currently serves. The Company plans to use fiber to the premises technology to meet its Enhanced A-CAM deployment obligations.

Please contact me at 603-529-9911 or chrisrand@gsc.tech if you have any questions or require additional information.

Sincerely,

Christian H. Rand
Vice President
