RE: ENMR Telephone Cooperative – Election of Enhanced A-CAM Support in Texas

Dear Mr. Harkrader:

ENMR Telephone Cooperative (Provider ID 130458) hereby confirms that it elects the Enhanced Alternative Connect America Cost Model (Enhanced A-CAM) support amount for the state of Texas, as specified in Report 2.1 released on September 21, 2023. In return, the Cooperative commits to satisfy the specific service obligations associated with that amount of model support. This includes both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to locations the Cooperative currently serves.

ENMR Telephone Cooperative plans to use fiber to the premises to meet its Enhanced A-CAM deployment obligations.
