Re: *Enhanced Alternative Connect America Cost Model Offer Acceptance Notification; Connect America Fund (WC 10-90)*

Bureau Staff,

Gunnison Telephone Company (502279) has reviewed its offer of Enhanced Alternative Connect America Cost Model (Enhanced A-CAM) support as announced by the Bureau,¹ and with this letter hereby accepts the offer for all its study areas in the State of Utah.

Gunnison Telephone Company agrees to meet the buildout and continued service requirements of the *Enhanced A-CAM Order*,² to include serving all required locations with 100/20 Mbps speed and low latency. Gunnison Telephone intends to meet these requirements by using fiber optic cable technology, copper cable technology, and fixed wireless technology. Gunnison Telephone Company will not use any form of technology not capable of meeting speed or latency requirements.

Sincerely,

Howard J. Sanders
President
