**Re: Enhanced A-CAM Election Letter
Rock Port Telephone Company 421942**

To Whom It May Concern:

Rock Port Telephone Company hereby submits this letter to indicate that it will elect the Enhanced Alternative Connect America Cost Model support in Study Area Code 421942 in Missouri. The Federal Communications Commission's Enhanced A-CAM Election Public Notice instructed carriers to file an election letter by September 29, 2023, confirming that it "elects the Enhanced A-CAM support amount as specified in Report 1.1....and commits to satisfy the specific service obligations associated with that amount of model support."¹

The Company, an A-CAM II support carrier, elects the Enhanced A-CAM model-based support amount as specified in Report 1.1 released August 30, 2023, and commits to satisfy the specific service obligations associated with that amount of model support in Missouri. The Company intends to meet its deployment obligations of 100/20 Mbps or faster to all required locations with fiber optics.

Please contact the undersigned with any questions on the Company's election of Enhanced A-CAM support described herein.
