RE: Enhanced A-CAM Election Letter
[The Conneaut Telephone Co., Inc, 300606 (SAC) and 131332 (Provider ID)
Response to Public Notice of 8/30/2023 (DA 23-779), WC Docket No. 10-90

To Whom it May Concern:

The Conneaut Telephone Company submits this letter as an “Election Letter” in response to the Federal Communications Commission Public Notice referenced above, which announces “Enhanced Alternative Connect America Cost Model Support Amounts” for “Rate-of-Return Carriers to Expand Broadband.”¹ The letter per Wireline Competition Bureau instructions is submitted by electronic mail, addressed to ConnectAmerica@fcc.gov.

With this letter, The Conneaut Telephone Company confirms that it is electing the state-level offer of model-based, Enhanced A-CAM support, for the State of Ohio as specified in “Report 1.1” released with the Public Notice (as set forth in “Table 1.1” included as part of the Commission’s “Enhanced A-CAM – A-CAM 2.6.0 - Report Version 1” of August 30, 2023). Further, in accord with the Public Notice terms, along with this election, The Conneaut Telephone Company commits to satisfying the specific service obligations associated with this acceptance of Enhanced A-CAM model support, including both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to currently served locations. These broadband service obligations will, specifically, be met by the company through planned deployments in the affected geographic areas of *Optical Carrier/Fiber to the Premises technology (BDC Technology Code 50); fixed wireless technology utilizing entirely licensed spectrum or using a hybrid of licensed and unlicensed spectrum (BDC Code 71)*.

Following the Commission’s receipt and review of this Election Letter, please respond promptly if any further supporting or clarifying information is needed regarding this action by The Conneaut Telephone Company. For this purpose, please send an email to Kenny Knapp, CEO, kknapp@greatwavecom.com.

Respectfully submitted,

Kenny Knapp, CEO
