To Whom It May Concern

Court Square Capital Partners (Company) Provider ID 130795, holding company for Alteva of Warwick LLC that offers service in New York (Study Area Code 150135) and New Jersey (Study Area Code 160135), hereby submits this letter to indicate that the Company will elect the Enhanced Alternative Connect America Model (Enhanced A-CAM) support in these study areas. The New York study area is currently A-CAM while the New Jersey study area is currently CAF-BLS. As stated below, the Company explicitly acknowledges that the election applies to both it's A-CAM and CAF-BLS study areas.

The Federal Communications Commission's Wireline Competition Bureau (Bureau) released a Public Notice instructing rate-of-return carriers electing EA-CAM to file a letter via email by September 29, 2023 confirming that it "elects the Enhanced A-CAM support amount as specified in Report 1.1 released on August 30, 2023, and commits to satisfy the specific service obligations associated with that amount of model support, including both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to currently served locations."¹ Subsequent to the release of the Enhanced A-CAM Election PN, the Bureau released revised versions of the offers in updated reports entitled "Enhanced A-CAM – A-CAM 2.6.0 – Report Version 2, Report/Tables 2.1 through 2.5."²

The Company hereby commits to satisfying the specific service obligations associated with that amount of model support that it is eligible to receive in New York and New Jersey, including both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to currently served locations. The location totals and specific service obligations for each type of location are specified in the Excel workbook
