RE: Project Mutual Telephone Cooperative Co. – Election of Enhanced A-CAM Support in Idaho

Dear Mr. Harkrader:

Project mutual Telephone Cooperative Co. (131075) hereby confirms that it elects the Enhanced Alternative Connect America Cost Model (Enhanced A-CAM) support amount for the state of Idaho, as specified in Report 1.1 released on August 30, 2023. In return, the Project Mutual Cooperative commits to satisfy the specific service obligations associated with that amount of model support. This includes both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to locations the Project Mutual Cooperative currently serves.

Project Mutual Cooperative plans to use the following technologies to meet its Enhanced A-CAM deployment obligations: fiber to the premises; licensed terrestrial fixed wireless; unlicensed terrestrial fixed wireless.

Please contact me at 208 430 1357 or dhooover@pmt.coop if you have any questions or require additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Hoover", with a long horizontal flourish extending to the right.

Dan Hoover
CEO/President
Project mutual Cooperative
