Enhanced A-CAM Election Letter

Company Name: Mediapolis Telephone Company dba MTC Technologies

Attestation of Company Officer: I, Marc Carlson, am the General Manager and CEO of Mediapolis Telephone Company dba MTC Technologies and have reviewed the Enhanced A-CAM support offer as specified in Report 1.1 released August 30, 2023.¹ I hereby confirm that MTC Technologies elects Enhanced A-CAM support as specified in Report 1.1 and commits to satisfy the specific service obligations associated with that amount of model support, including both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to currently served locations. It is our understanding that all erroneous locations will be trued up through the process provided by the Enhanced A-CAM program and all errors within the offer and/or location count will be corrected prior to finalization of the offer.²

Identification of Technologies Planned to be Used: In order to meet the Enhanced A-CAM deployment obligations, MTC Technologies will deploy a network consisting of 100% fiber optic transport. The network will use XGS-PON to deliver speeds up to 10G.

If you need additional information to finalize our Enhanced A-CAM offer acceptance, please contact me as outlined below.

Sincerely,

A handwritten signature in black ink, appearing to read "Marc Carlson".
