**Re: Enhanced A-CAM Election Letter
Twin Lakes Telephone Cooperative Corporation - 131384**

To Whom It May Concern:

Twin Lakes Telephone Cooperative ("Twin Lakes") Provider ID 131384, hereby submits this letter to indicate that it will elect the Enhanced Alternative Connect America Model (Enhanced A-CAM) support in Study Area Code 290579 in Tennessee.

The Federal Communications Commission's Wireline Competition Bureau ("Bureau") released a Public Notice instructing rate-of-return carriers electing EA-CAM to file a letter via email by September 29, 2023 confirming that it "elects the Enhanced A-CAM support amount as specified in Report 1.1 released on August 30, 2023, and commits to satisfy the specific service obligations associated with that amount of model support, including both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to currently served locations."

Twin Lakes hereby commits to satisfying the specific service obligations associated with that amount of model support that it is eligible to receive in Tennessee, including both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to currently served locations. Twin Lakes hereby notifies the Bureau that it intends to use PON based fiber technology to meet its Enhanced A-CAM deployment obligations.

Please contact the undersigned with any questions on the Company's Enhanced A-CAM election described herein.
