Election letter submitted to Bureau at [ConnectAmerica@fcc.gov](mailto:ConnectAmerica@fcc.gov)

Dear Mr. Harkrader,

CIBL, Inc. (CIBL) and CIBL's New Hampshire wholly owned subsidiary, Bretton Woods Telephone Company, Inc. (BWTC), submit this letter signed by officers of both entities confirming election of the following Enhanced A-CAM support amount as specified in Report 1.1 released August 30, 2023 and commit to satisfy the specific service obligations associated with that amount of model support, including both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to currently served locations.

CIBL and BWTC intend to use Fiber-to-the-Home (FTTH) as the technology to meet their Enhanced A-CAM deployment obligations.

BWTC is an A-CAM II company receiving transition payments from previous legacy support to their A-CAM II model-based support. Pursuant to section 54.311(e)(6), transitional support will not be adjusted to reflect Enhanced A-CAM support amounts. Accordingly, BWTC expects A-CAM II transitional support amounts will continue on their current glide path until their transitional support is less than the authorized Enhanced A-CAM support amount at which point the fixed amount of Enhanced A-CAM support will commence.

Best regards,
