Dear FCC:

Please let this letter serve as official acceptance of the Enhanced A-CAM support offer by The Farmers Mutual Telephone Company of Stanton, IA (FMTC) in the amount of \$1,417,912.00.

With the acceptance of this offer, FMTC commits to satisfy the specific service obligations associated with the amount of model support, including both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to currently served locations.

FMTC will meet the Enhanced A-CAM deployment obligations with a fiber to the premise technology network.

FMTC is currently a legacy rate of return carrier. As required to receive model-based support, FMTC will simultaneously notify the National Exchange Carrier Association (NECA) of our Enhanced A-CAM offer acceptance and will exit the NECA common line tariff pool.

Sincerely,

Kevin T. Cabbage
