RE: Enhanced A-CAM Election

Dear Sir or Madam:

This letter is to confirm that Pioneer Telephone Company, SAC 522437, Provider ID 131047, currently a recipient of Revised ACAM, elects the Enhanced A-CAM support as specified in Report 1.1 released on August 30, 2023. Pioneer Telephone Company commits to satisfy the specific service obligations associated with that amount of model support, including both the deployment of 100/20 Mbps or faster service to all required locations and maintenance of 100/20 Mbps to currently served locations. Pioneer Telephone Company will primarily use fiberoptic technology, but may use fixed wireless or satellite solutions for extremely high-cost locations to meet the Enhanced A-CAM deployment obligations.
