Re: Election for Ellington Telephone Company
Public Notice DA 23-835, released September 21, 2023

Dear Mr. Wang,

By this letter, Ellington Telephone Company, Study Area Code 421874, accepts the Commission's offer of Enhanced Alternative Connect America Cost Model (Enhanced A-CAM) Version 2.6.0, support in the amount of \$2,635,463 annually for 15 years, as specified in Report 2.1 at the \$350 per location funding cap, and with resulting build-out obligations as presented in FCC WCB Public Notice DA 23-835, released September 21, 2023. Ellington Telephone Company commits to satisfy the specific service obligations associated with that amount of model support, including both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to currently served locations.

The technology Ellington Telephone Company plans to use to meet its Enhanced A-CAM deployment obligations is: Optical Carrier / Fiber to the Premises.

Sincerely,

Dee McCormack
President
