RE: Enhanced A-CAM (EA-CAM) model-based support election

Peace Valley Telephone Co., Inc.

SAC: 421936

ROR Carrier: PCVL

Dear Sir or Madam:

I write to inform you of Peace Valley Telephone Co., Inc.'s election of the Enhanced A-CAM (EA-CAM) model-based support as specified in the Bureau's August 30, 2023 Public Notice and again in the Corrected Enhanced A-CAM offer on 9/21/2023, announcing the offers of support and Peace Valley Telephone Co., Inc. commits to satisfy the specific service obligations associated with that amount of model based support and commits to satisfy the specific service obligations associated with that amount of model support, including both the deployment of 100/20 Mbps or faster service to all required locations and the maintenance of 100/20 Mbps or faster service to currently served locations.

Peace Valley Telephone plans to use fiber to the home to meet their EA-CAM deployment obligations. Peace Valley Telephone filed a previous election letter referencing only the August 30<sup>th</sup> Notice and therefore, files this election to also reference the 9/21/2023 Corrected Order that had the same amounts included in both for Peace Valley Telephone.

If there is anything further you might require of me, please let me know. If you have any questions, please call.

Thank you.

My Best Regards,

  
Kelly Michael Bosserman, ESQ
