

Department. Under FCC rules, consumers receiving these benefits qualify for Lifeline discounts and also for EBBP benefits.

Categories of Individuals

The categories of individuals whose information is involved in the matching program include, but are not limited to, those individuals who have applied for EBBP benefits; are currently receiving benefits; are individuals who enable another individual in their household to qualify for EBBP benefits; are minors whose status qualifies a parent or guardian for EBBP benefits; or are individuals who have received EBBP benefits.

Categories of Records

The categories of records involved in the matching program include, but are not limited to first and last name, date of birth and the last four digits of the applicant's Social Security Number. The National Verifier will transfer these data elements to the Mississippi Department, which will respond either "yes" or "no" that the individual is enrolled in an EBBP-qualifying assistance program: State of Mississippi's SNAP and Medicaid.

System(s) of Records

The USAC records shared as part of this matching program reside in the EBBP system of records, FCC/WCB-3, Emergency Broadband Benefit Program, which was published in the **Federal Register** at 86 FR 11523 (Feb. 25, 2021).

Privacy Act of 1974; Matching Program

AGENCY: Federal Communications Commission.

ACTION: Notice of a computer matching program.

SUMMARY: In accordance with the Privacy Act of 1974, as amended ("Privacy Act"), this document announces the notice of a computer matching program the Federal Communications Commission ("FCC" or "Commission" or "Agency") and the Universal Service Administrative Company (USAC) will conduct with the U.S. Department of Housing and Urban Development (HUD) ("Agency"). The

purpose of this matching program is to verify the eligibility of applicants to and subscribers of Lifeline (existing purpose) and the new Emergency Broadband Benefit Program, both of which are administered by USAC under the direction of the FCC. More information about these programs is provided in the **SUPPLEMENTARY INFORMATION** section below.

DATES: Written comments are due on or before September 10, 2021. This computer matching program will commence on September 10, 2021, and will conclude 18 months after the effective date.

ADDRESSES: Send comments to Margaret Drake, FCC, 45 L Street NE, Washington, DC 20554, or to Privacy@fcc.gov.

SUPPLEMENTARY INFORMATION:

The Lifeline program provides support for discounted broadband and voice services to low-income consumers. Lifeline is administered by the Universal Service Administrative Company (USAC) under FCC direction. Consumers qualify for Lifeline through proof of income or participation in a qualifying program, such as Medicaid, the Supplemental Nutritional Assistance Program (SNAP), Federal Public Housing Assistance, Supplemental Security Income (SSI), Veterans and Survivors Pension Benefit, or various Tribal-specific federal assistance programs.

The Emergency Broadband Benefit Program (EBBP) was established by Congress in the Consolidated Appropriations Act of 2021, Public Law 116-260, 134 Stat. 1182. EBBP is a program that helps low-income Americans obtain discounted broadband service and one-time co-pay for a connected device (laptop, desktop computer or tablet). This program was created specifically to assist American families' access to broadband, which has proven to be essential for work, school, and healthcare during the public health emergency that exists as a result of COVID-19. A household may qualify for the EBBP benefit under various criteria, including an individual qualifying for the FCC's Lifeline program.

In a Report and Order adopted on March 31, 2016, the Commission ordered USAC to create a National Lifeline Eligibility Verifier ("National Verifier"), including the National Lifeline Eligibility Database (LED), that would match data about Lifeline applicants and subscribers with other data sources to verify the eligibility of

an applicant or subscriber. The Commission found that the National Verifier would reduce compliance costs for Lifeline service providers, improve service for Lifeline subscribers, and reduce waste, fraud, and abuse in the program.

The Consolidated Appropriations Act of 2021 directs the FCC to leverage the National Verifier to verify applicants' eligibility for EBBP. The purpose of this matching program is to verify the eligibility of EBBP applicants and subscribers by determining whether they receive Federal Public Housing Assistance benefits administered by the HUD. Persons receiving these benefits qualify for Lifeline discounts and also for EBBP benefits.

Participating Non-Federal Agencies

U.S. Department of Housing and Urban Development.

Authority for Conducting the Matching Program

The authority for the FCC's EBBP is Consolidated Appropriations Act of 2021, Public Law 116-260, 134 Stat. 1182; 47 CFR part 54. The authority for the FCC's Lifeline program is 47 U.S.C. 254; 47 CFR 54.400 *et seq.*; Lifeline and Link Up Reform and Modernization, *et al.*, Third Report and Order, Further Report and Order, and Order on Reconsideration, 31 FCC Rcd 3962, 4006-21, paras. 126-66 (2016) (*2016 Lifeline Modernization Order*).

Purpose(s)

In the 2016 Lifeline Modernization Order, the FCC required USAC to develop and operate the National Verifier to improve efficiency and reduce waste, fraud, and abuse in the Lifeline program. The stated purpose of the National Verifier is "to increase the integrity and improve the performance of the Lifeline program for the benefit of a variety of Lifeline participants, including Lifeline providers, subscribers, states, community-based organizations, USAC, and the Commission." 31 FCC Rcd 3962, 4006, para. 126. To help determine whether Lifeline applicants and subscribers are eligible for Lifeline benefits, the Order contemplates that the USAC-operated LED will communicate with information systems and databases operated by other Federal and State agencies. *Id.* at 4011-2, paras. 135-7. The Consolidated Appropriations Act of 2021 directs the FCC to leverage the National Verifier to verify applicants' eligibility for EBBP.

The purpose of this matching agreement is to verify the eligibility of applicants and subscribers to Lifeline (existing purpose), as well as to the new

EBBP and to other Federal programs that use qualification for Lifeline as an eligibility criterion. This new agreement would replace the existing agreement with HUD, which permits matching only for the Lifeline program by checking an applicant's/subscriber's participation in Federal Public Housing Assistance. Under FCC rules, consumers receiving these benefits qualify for Lifeline discounts and also for EBBP benefits.

Categories of Individuals

The categories of individuals whose information is involved in the matching program include, but are not limited to, those individuals who have applied for Lifeline and/or EBBP benefits; are currently receiving Lifeline and/or EBBP benefits; are individuals who enable another individual in their household to qualify for Lifeline and/or EBBP benefits; are minors whose status qualifies a parent or guardian for Lifeline and/or EBBP benefits; or are individuals who have received Lifeline and/or EBBP benefits.

Categories of Records

The categories of records involved in the matching program include, but are not limited to, the last four digits of the applicant's Social Security Number, date of birth, state of residence, and first name and last name. The National Verifier will transfer these data elements to the Department of Housing and Urban Development which will respond either "yes" or "no" that the individual is enrolled in a qualifying assistance program: Department of Housing and Urban Development, Federal Public Housing Assistance.

System(s) of Records

The records shared as part of this matching program reside in the Lifeline system of records, FCC/WCB-1, Lifeline, which was published in the **Federal Register** at 86 FR 11526 (Feb. 25, 2021).

The records shared as part of this matching program reside in the EBBP system of records, FCC/WCB-3, Emergency Broadband Benefit Program, which was published in the **Federal Register** at 86 FR 11523 (Feb. 25, 2021). Federal Communications Commission.
