Children's Programming Reporting Requirements

- Revised to require that Children's Television Programming Reports (FCC Form 2100 Schedule H) be filed on an annual rather than quarterly basis, within 30 days after the end of the calendar year.
 - Filing deadline for first annual report extended to March 30, 2020.
- Eliminated certain reporting requirements:
 - Information describing the educational and informational purpose of each Core Program aired during the current reporting period;
 - Information describing each Core Program that the licensee expects to air during the next reporting period; and
 - The requirement to identify the program guide publishers who were sent information regarding the licensee's Core Programs.
- Modified reporting requirements to account for new processing guidelines and preemption standards.

Rule: 47 CFR § 73.3526(e)(11)(iii)

Demonstrating Compliance- Core Processing Guidelines

Compliance On or After September 16, 2019

- Compliance during the period from September 16, 2019, through December 31, 2019, will be evaluated under the revised safe harbor processing guidelines on a pro rata basis.
- **Category A, Option One:** A station will be deemed to satisfy the processing guidelines if it airs an average of three hours per week of Core Programming (as calculated over the approximately 15-week period). In order to report that it has aired an average of three hours per week, the station should air a total of 45 hours of Core Programming on its primary stream between September 16, 2019, and December 31, 2019.
 - Up to 15 of the 45 hours of regularly scheduled weekly programming may be aired on a station's multicast stream.

Demonstrating Compliance (cont'd)

- **Category A, Option Two:** A station will be deemed to satisfy the processing guidelines during this period if it airs at least 45 hours of Core Programming, including a minimum of 30 hours of regularly scheduled weekly Core Programming.
 - 4 of the 30 hours of regularly scheduled weekly programming must be aired during the remainder of the third quarter of 2019 (i.e., September 16, 2019 to September 30, 2019), with up to two of those hours aired on a station's multicast stream.
 - 26 of the 30 hours of regularly scheduled weekly programming must be aired during the fourth quarter of 2019 (i.e., October 1, 2019, to December 31, 2019), with up to 13 hours aired on a station's multicast stream.
 - The remaining 15 hours may consist of Core Programs that are not regularly scheduled on a weekly basis, such as educational specials and regularly scheduled non-weekly programming, all of which must be aired on the primary program stream.

Demonstrating Compliance (cont'd)

- **Category B:** A station will be deemed to satisfy the processing guidelines during this period if it airs at least 45 hours of Core Programming, including a minimum of 30 hours of regularly scheduled weekly Core Programming.
 - 4 of the 30 hours of regularly scheduled weekly programming must be aired during the remainder of the third quarter of 2019 (i.e., September 16, 2019, to September 30, 2019), with up to two of those hours aired on a station's multicast stream.
 - 26 of the 30 hours of regularly scheduled weekly programming must be aired during the fourth quarter of 2019 (i.e., October 1, 2019 to December 31, 2019), with up to 13 hours aired on a station's multicast stream.
 - The remaining 15 hours may consist of Core Programs that are not regularly scheduled on a weekly basis and/or short-form programs less than 30 minutes in length, all of which must be aired on the primary program stream.

Digital Core Programming

* Indicate which of the Core Programming safe harbor processing guidelines the station elected to utilize during the covered reporting period to demonstrate compliance with the Children's Television Act of 1990 (See 47 CFR Section 73.671(d)):

- Category A, Option 1: Three-hours per week (as averaged over a six-month period) of Core Programming.
- Category A, Option 2: 156 hours annually of Core Programming, including at least 26 hours per quarter of regularly scheduled weekly programming. The remaining 52 hours of Core Programming may include programs of at least 30 minutes in length that are not regularly scheduled on a weekly basis, such as educational specials and regularly scheduled non-weekly programming.
- Category B: 156 hours annually of Core Programming, including at least 26 hours per quarter of regularly scheduled weekly programming. The remaining 52 hours of Core Programming may include programs of at least 30 minutes in length that are not regularly scheduled on a weekly basis, such as educational specials and regularly scheduled non-weekly programming, and short-form programs less than 30 minutes in length, including public service announcements and interstitials.
- Category C: In addition to airing Core Programming on the Station's main or multicast stream, the licensee undertook special efforts to produce or support Core Programming aired on other stations in the market and/or undertook special non-broadcast efforts that enhance the value of children's educational and informational programming.

Option to upload an exhibit with additional information or demonstrate compliance with Category C

Amending Prior or Filing Missing Quarterly Reports

- Broadcasters may no longer file or amend Quarterly KidVid Reports in LMS.
- Must provide the necessary information in the form of an explanatory document. Such document must be uploaded to a station's online public inspection file (OPIF) and placed in the "Children's Reports" section, under the folder entitled "Additional Documents."
- In light of the upcoming license renewal cycle for television stations that is scheduled to begin in June 2020, licensees should include an exhibit as part of their license renewal applications noting if any such explanatory document has been uploaded to a station's OPIF.

Other KidVid Reporting/Disclosure Changes

- Annual Network Preemption Reports- No longer required.
- The requirement to publicize the existence of Children's Television Programming Reports has been eliminated.
- Broadcasters no longer required to provide program guide publishers an indication of the age group their programming is intended to serve.
- E/I symbol no longer required to be displayed by NCEs.
- Commercial Limit Certifications (47 CFR § 73.3526(e)(11)(ii))
 - Broadcast stations, cable operators, and DBS operators will be permitted to file their certifications of compliance with the commercial limits for children's programming annually rather than quarterly.
 - Certifications must be filed within 30 days after the end of the calendar year.
 - Last quarterly commercial limit certification was due on January 10, 2020.
 - Next commercial limit certification will be due February 1, 2021.
