REPORT

The following report is submitted pursuant to Section 1085 of the recently enacted John S. McCain National Defense Authorization Act for Fiscal Year 2019¹ and the Federal Communications Commission’s September 4, 2018 *Public Notice* implementing that section.²

- 1) *Name of Outlet*: MHZ News LLC (“MHZ News”) is a limited liability company organized under the laws of the State of Delaware for the purpose of operating as a news service engaged in *bona fide* news or journalistic activities. MHZ News is a wholly-owned subsidiary of MHZ Networks LLC, which is 100 percent owned by U.S. citizens.
- 2) *Description of Relationship*: MHZ News distributes video programming produced outside the United States, which is transmitted by (among others) multichannel video programming distributors in the United States. During the period from October 13, 2018 through April 12, 2019, MHZ News has had contractual relationships with two foreign entities (France Medias Monde (“FMM,” a public limited company organized in the country of France), and Deutsche Welle (“DW,” a public broadcasting institution formed under German law)), under which MHZ News has the right, in exchange for compensation, to distribute video programming produced by those counterparties.³

¹ John S. McCain National Defense Authorization Act for Fiscal Year 2019, Pub. L. No. 115-232, § 1085 (2018) (“NDAA”).

² *FCC Announces Disclosure Requirements for United States-Based Foreign Media Outlets*, Public Notice, DA 18-911 (rel. Sep. 4, 2018).

³ Neither of FMM and DW is “a government of a foreign country” or “a foreign political party;” nor is either one controlled by either a government or party. Each receives its funding through a government mechanism, however, so MHZ News is filing this report in the interest of transparency and out of an abundance of caution.

Please direct any communications regarding this report to the undersigned.

Respectfully submitted,

MHZ NEWS LLC
